Rain and Hail During the Past Week Bring 5.26 Moisture

Dairy Day on May 29 Will Be Held Amarillo

"Dairymen of Randall, Armstrong, Carson, Moore, Hartley, Oldham, Deaf Smith, and Potter counties may bring grade or registered cattle to the show in Amarillo, May 29," H. E. Shahan, Randall County Agent said.

The cattle will be judged by the classification method. G. G. Gibson and R. E. Burleson of Texas A. & M. College will be judges. The cattle of each breed will be classified by the judges according to the "True Type" of respective breed and ribbons will be awarded accordingly. For example, if all of the cattle entered in any one age class of one breed are good enough to merit blue ribbons, then blue ribbons will be presented for each animal. However, if none of the cattle in any one age class of one breed are not good enough to merit a blue ribbon, then ribbons of lower rate are given. In using the old comparison method of judging cattle the best cow in her class is eligible for a blue ribbon regardless of how undesirable she may be. Each animal will be judged against the perfect type of the breed, not against other animals in the class.

Awards will be made on the basis of a percentage point score made by each animal," the County Agent said.

Included in the program will be a public judging exposition, a "balanced" dairy discussion, and formal judging of cattle.

This is one of 36 Dairy Days held in Texas this year. This event is sponsored jointly by the Amarillo Chamber of Commerce and the Extension Service of Texas A. & M. College.

Entries may be made to Howard Ferguson, Chairman of the Cattle Committee, at the Borden Company.

The following classes will be used.

Females
(1) 3 years and over
(2) 2 years and under 3, also yearling in milk
(3) 1 year and under 2
(4) 6 months and under 1 year.

Bulls:
(1) 2 years and over
(2) 1 year and under 2
(3) 6 months and under 1 year.

No cattle under six months of age should be shown.

Dairy Day programs provide a means for everyone interested in milk, including farmers, manufacturers, other business men, consumers, and educational workers to join in a program for better dairying.

The program will start at 10 a. m., May 29th. Men, women, boys and girls are invited to participate in this event.

Seniors To Hold Joint Services On Sunday Night

Graduating classes of the Canyon High School and the West Texas High School will hold joint baccalaureate services, Sunday evening, May 25, at 8 p. m., in the college auditorium. Rev. Leon Hill, pastor of the San Jacinto Baptist church, Amarillo, will be guest speaker for the occasion.

Superintendent E. A. Wooten, Canyon High School, will serve as chairman, and Rev. Hubert Thomson, Methodist pastor, will give the invocation. The assembly will sing, "Come, Thou Almighty King," and a prayer will be lead by Dr. Roy L. Johnson, Baptist pastor. Rev. Joe Findley, Christian minister, will pronounce the benediction.

Announcements will be made by Superintendent F. E. Savage, West Texas High School, and "Sanctus," Bach-Luvaas will be presented by the Canyon High A Cappella choir. The West Texas High orchestra will provide music for the processional and the recessional.

Senior Girls To Be Honored at AAUW Reception

Members of the Canyon Branch of the American Association of University Women will hold their annual formal reception for Senior girls of Canyon High School and West Texas State High School, Friday eveningg, May 23, at 8 o'clock, in the Phebe K. Warner Home Management House.

Miss Ruth Lowes, president, and her executive committee, will be in the receiving line.

All Senior girls of the two schools are urged to attend.

G. G. Foster returned Monday from San Antonio where he went last week for medical treatment. He was accompanied by J. C. Black. Mr. Foster is improved as a result of the trip.

G. A. Farlow was in Fort Worth on business over the weekend.

Notaries Will Be Notified of Re-appointment

All commissions of Notary Public in Randall county will be renewed for the coming two years without application. In years past it was necessary for the legislature to approve such commissions, but the constitution was changed in order that the Secretary of State make these appointments.

T. H. Lair, County Clerk, will notify all those who hold commissions of Notary Public when he receives the list of appointments from the Secretary of State. Bonds must be made within 10 days after Mr. Lair sends out notices to the various Notaries of the county.

Those who are not now Notaries but wish to receive commissions may apply at any time.

Body of Crash Victim Sent to Snowflake, Ariz.

Body of Pilot Starling Lowery Hall, killed in a crash of a Piper Supercruiser plane near Ceta Glen canyon early Friday was sent to Snowflake, Ariz., for funeral services.

The crash was investigated by CAB and CAA officials. They said Hall left Taylor, Ariz., the afternoon of May 8 at 2:30 o'clock, spending the night at Tucumcari. Time of the crash was fixed at about 6:30 Friday morning, May 9. He had left Tucumcari at 4:30 o'clock a. m. The burned body and crashed plane were found Monday. He was en route to Plain Dealing, La., to return his wife and two children to Snowflake.

Thomas Hatch and Norman Smith of the Apache Flying Service of Taylor, made identification of the body and plane. Hatch was owner of the plane.

Hall was a son of Mrs. Emma Hall of Snowflake. He was a former Marine staff sergeant and held a pilot's license.

Fort Worth To Bring Special Train May 28

Ed L. Baker, Fort Worth business and civic leader, will bring greetings from Fort Worth when the special train of the Fort Worth Business Executives Tour rolls into Canyon on the morning of May 28.

Mr. Baker, one of the 120 Fort Worth business men on a four-day mission of mutual interest through West Texas and New Mexico, will speak briefly and informally at a gathering of the visitors and their Canyon hosts.

Delbert Lowes, president of the local Chamber of Commerce, stated that the guests would be welcomed at the band stand on the court house square. Two school busses will meet the group at the Santa Fe depot when they arrive and provide transportation to the downtown area. Citizens are also requested to meet the train and take the remaining members of the tour in their cars.

The train reaches Canyon at 10:10 and will leave at 10:40. Twenty-six cities in West Texas and New Mexico will be visited.

"Our trip was undertaken through our desire to become better acquainted with the citizens of this vast area and their problems," says Ed J. Ernest, division commercial superintendent of the Southwestern Bell Telephone Company, and general chairman of the tour.

"The progress and development of Fort Worth has been measured by the progress and development of this western country," Mr. Ernest continued. "We speak the same language. Our interests are mutual. In helping one another we help ourselves."

Lion's Club Sees Girl Scout Play

"Star Light, Star Bright," a one-act play, was presented by the Girl Scouts of Troop 8, at a recent meeting of the local Lion's Club. Leader of the troop is Mrs. E. R. Cleavinger, and director of the play was Miss Martha Hanna, student of the West Texas State Dramatics Department.

Included in the cast were: Florence Coffee, Shirley Glenn, Dorothy Cleavinger, Kathleen Armstrong, May Montgomery, Barbara Beck, Anna Lou Samuelson, and Joan Dodson. Other girls in the group assisted in arrangements.

Mr. and Mrs. G. W. Cox, Mr. and Mrs. Wayne Porter and son, Larry, visited Sunday in Tulia in the home of Mr. Cox's sister, Mrs. W. A. House.

Mr. and Mrs. Roy Holland of Muleshoe were recent visitors in this city

Election On School Tax Is Called June 7

The voters of the Canyon Independent School District will vote on June 7th on the proposal to increase the tax rate from $1.00 to the constitutional limit of $1.50 on the $100 valuation.

On the same date elections will be held in the Trigg, Ralph, Pierce, Jowell, Zita and Palo Duro districts to increase the tax rate in order that the new tuition rates of the Canyon Independent School District may be paid by these sending districts to the Canyon schools. These schools send their scholastics to the Canyon schools. Judge A. H. Hunt states that other districts of the county may hold elections soon on this same proposal of increasing their tax rate.

The increase in taxes has been made necessary by the increase in salary scale for all teachers in the schools of Texas.

The Taxpayers Committee which has studied the local question, recommended that the only method whereby the Canyon schools could operate for the coming year was to increase the tax rate, and to collect an increased tuition from sending districts. The new tuition rate will compare with the cost of operating the schools for the taxpayers in the Canyon district.

Eastern Star To Hold School of Instruction Here

School of Instruction for District Two, Section Three, Order of the Eastern Star, will be held at the First Methodist Church in Canyon, Saturday, May 24.

Registration begins at 8 a. m., with the school opening at 9 o'clock.

Officers for the school are: Mrs. Hattie Lucille Dowell, Worthy Grand Matron, Austin; Mr. Frank R. Phillips, Worthy Grand Patron, Canyon; Mrs. Pauline Smith, District Deputy Grand Matron, Lubbock; Mrs. Pauline Baker, Grand Examiner, Amarillo; and Mrs. Olga Phillips, Deputy Grand Matron, Canyon.

A covered dish luncheon will be served at noon in the Baptist Church, and a banquet honoring grand officers will be held in the American Legion Hall at 7 p. m.

All members of the Order of the Eastern Star are cordially invited to attend the school.

Stork Specials

Mr. and Mrs. Owen Robertson announce the arrival of a son, May 16.

Mr. and Mrs. W. D. Walker, Jr., are the parents of a baby daughter, May 18.

Born to Mr. and Mrs. Harold Byars, a daughter, May 21.

Twin sons were born to Mr. and Mrs. Ed Hoelting, May 20.

Mr. and Mrs. J. E. Byers are the parents of a daughter, who was born in Neblett hospital, May 20.

Mr. and Mrs. H. E. Taussig announce the arrival of a son, Harold, Jr., in Denver, Colo., May 18. The baby weighed six pounds, two ounces. Mrs. Taussig is the former Norma Lee Black of this city. She and her husband reside in Parshall, Colo.

Red Cross Chapter Is Thanked For Its Work During Drive

Mrs. Tom Knighton, Randall County Red Cross chairman, has received the Red Cross certificate of honor and fund chairman's citation in recognition of the local chapter's accomplishment in the 1947 Red Cross drive.

The citation goes to Mrs. R. A. Neblett, fund chairman, and the certificate of honor to the chapter.

John C. Wilson, manager of the Midwestern Area of the American Red Cross in his letter to Mrs. Knighton stated, "The success of the campaign in your chapter is a tangible demonstration of the interest and support of the service which your chapter is giving to the people of your community. Will you express our gratitude to the chairman and the volunteers, who by their efforts, have made possible the maintenance of all Red Cross services during the coming year."

BROTHER OF HENRY CONE DIES IN CALIFORNIA

Marlin Cone, brother of Henry Cone of this city, died suddenly Tuesday, May 13, in Santa Ana, Calif. Funeral services were conducted Saturday at Lorenzo, Texas. He was a former resident of Canyon, but had been in California for a number of years.

Mrs. A. D. Schneider has as her guest this week, her brother, M. C. Beebe, of Desert Hot Springs, Calif. He arrived Wednesday, May 14, and plans to make Canyon his home.

Four Boys Try Jail Break But Caught In Act

A jail break in Canyon was stopped Monday by Sheriff M. E. Cantrell and his deputies.

Four boys were in jail, two charged with theft of hogs from Ross Craig, and two charged with robbery at the airport.

Hacksaw blades were smuggled to the boys in some unknown manner and a large section of the iron frame of a bed was sawed out. This was being used to force the cell door when officers put an end to the break.

The four were transferred to the Potter county jail for sakekeeping.

Softball League Asks Donations To Light Field

Donations toward the fund to provide electricity for the night softball games at Buffalo Field for the summer have reached $532.15. This falls short of the expected quota of $600 by a small margin, but it is hoped that when the final count is made, the desired amount will be reached. John Hunter is president of the local League.

Recreation is being furnished by the league for some 168 men at the present time, and a boys' league will be organized this season. A girls' league will be organized if sufficient interest is shown.

The Southwestern Public Company is installing the poles and wiring for the lights for approximately $600. West Texas State College is furnishing the game balls and sixteen of the eighteen gloves. The other two were donated by the American Legion.

Persons interested in contributing to the fund are asked to contact Hank Decker, secretary- treasurer of the League.

Exercises Are Scheduled For Local Seniors

Commencement exercises for the graduating class of the Canyon High School will be held in the school auditorium Thursday, May 29, at 8 o'clock. Dr. Noble Armstrong, of West Texas State Education Department, will give the address.

West Texas High School exercises will be held Wednesday night, May 28, at 8 o'clock, in the auditorium of the education building. Dr. James L. Russell, professor of Education, will be the principal speaker.

W. W. Nicklaus Is Named Coach Jr. High in Amarillo

W. W. Nicklaus has been elected coach in the Horace Mann Junior high school in Amarillo. He signifies his intention of acceptance.

Mr. Nicklaus resigned as head coach of the West Texas State Buffaloes last fall when the athletic blowup occurred. He has been teaching in Happy since that time and was offered a fine contract to stay with his position in Happy.

The family plans to move to Amarillo during the summer in order that Mr. Nicklaus may start the school year in September.

MARRIAGE LICENSES

U. T. Coker, Jr., to Ann Bogan, May 13.

Gordon Duckett to Joyce Yvonne Person, May 17.

Bill Hulsey to Verna Joan Wilcox, May 17.

Mr. and Mrs. W. H. McAtee and Mr. and Mrs. C. N. Tippery and Sally Kay spent the week end visiting in Carter, Okla., where they went to attend the commencement exercises of Betty Jo and Larry McAtee, grandchildren of Mr. and Mrs. McAtee. Betty Jo was valedictorian of her class, and was awarded a $250 secretarial course as scholarship.

C. O. Croson of New London, and Atwood Croson and daughter, Sandra, of Tyler were here to spend Mother's Day with Mrs. N. A. Croson. C. O., who is teaching in the New London school, will go into business for himself when he opens a music store near Fort Worth in the near future.

Mr. and Mrs. Thomas Foster and children, Nadine, Leroy Burrus and Garry Foster, returned last week from Boise City, Okla., where they went to attend funeral services for Mrs. Foster's father, J. E. Huskey. He died while visiting with a daughter at Lincoln, Ark., and had been in ill health for some time.

Joe David and Larry Black, sons of Mr. and Mrs. Bob Black of Mangum, Okla., are spending the week visiting in the homes of their grandparents, Mr. and Mrs. Joe Black, and Mr. and Mrs. F. D. C. Middleton.

War Dead Will Be Honored on Decoration Day

Veterans of Foreign Wars and the American Legion, in planning Memorial Day Services, Friday morning, May 30, have secured a list of Randall County men who lost their lives in World Wars I and II.

All veterans of any war are urged to participate in the parade to the Courthouse square, where a military cemetery will be duplicated with crosses representing the graves of the men given in the list.

Tribute will be paid to each man when a wreath is placed on the cross bearing his name, and a salute to the dead is fired by the squad from the two organizations.

Following are the names which have been taken from available records, and if any names have been omitted from this list, relatives or friends are requested to notify The Canyon News at once:

World War I: Virgil Brown, Clifford Dooley, Willie A. Floyd, George Guest, Clayton Gamel, Archie Key, Rich Moreland, Warren Murchison, Ernest Weynard and Elmer Zoellers.

World War II: Benjamin F. Beason, Rex H. Blankenship, Howard C. Brewster, Daniel A. Butler, Jimmie Carr, Charles O. Cheyne, Carl L. Drummond, Jack D. Farley, Forrest M. Faulkner, George Guest, Henry B. Hales, Jack Hand, Benino Hernandez, Fairy Hill, Robert K. Hunt, Albert Ross Hunter, Howard C. Hutchison, William E. Lockhart, Harold S. Lowe, Durward A. Meadows, Cecil McCoy, Doyle F. Neff, Carrol T. O'Donald, Lucius G. Penick, Aubrey J. Prichard, James C. Shepherd, Wilbur P. Wofford, and James J. Wright.

Upchurch Sets '47 Wheat Crop 4,125,000 Bu.

Randall county should produce approximately 4,125,000 bushels of wheat this year, barring further destruction by hail or pests, was the prediction Tuesday at the Canyon Rotary Club by W. H. Upchurch. This will be a record wheat production for Randall county.

Only three other crops totalled more than 3 million bushels; those of 1929, 1931 and 1944.

Barring unforeseen damage to the crop, and allowing a loss of 50,000 acres by hail, the wheat crop will bring in $8,250,000 to the wheat farmers of the county, which is the same as the taxable valuation of all property in the county for state and county vaules.

Mr. Upchurch traced the economic history of wheat production, and what it had meant to the world.

Cubs Will Hold Contest At Park On Saturday

Plans have been completed for the annual Boy Scout Cub Palava which will be held at Elwood Park in Amarillo on Saturday afternoon, May 24, starting at 1:30 o'clock according to the announcement by S. G. Stockton, Council Chairman of Cubbing.

The Palava is an annual event where Cub Scouts and leaders gather for contests and special activities.

Packs are expected to attend from Canyon and 20 towns comprising the Llano Estacado Council, Boy Scouts of America.

List of events which are scheduled include attendance of Cubs, parents and leaders, special Pack Yell, Soft Ball Throw for 9, 10 and 11 year old Cubs, Hoop Race, Tug-O-War Team for two classes, Three Legged Relay Race, Sack Race, O'Grady Drill, Shoe Relay for 9 year old boys, Fifty Yard Dash for 9, 10 and 11 year old boys. Awards will be made of silk streamers to the four Packs earning the highest. Individual blue ribbons will be awarded to Cubs winning first place in each event.

Following the contests the various Packs will break up into groups for their annual picnic.

Staff Sergeant Clyde L. Rose, son-in-law of Mr. and Mrs. L. S. Baker of this city, is a member of the crew of the B-29, the only plane to fly from Fort Worth to attend the New York B-29 Show. Sgt. and Mrs. Rose recently moved to Fort Worth where he is stationed.

Amarillo Man Is Killed in Plane Crash

William Foster Fletcher, 406 Alabama, Amarillo, independent aerial photographer, was killed late Wednesday afternoon when his plane crashed during the rain storm, and fell and burned about 8 miles southeast of Amarillo on the C. V. Mays farm.

Mr. Fletcher died clutching a fire extinguisher and a pair of pliers, ambulance drivers and farmers who tore the wreckage from his body, said.

He had been missing since Wednesday afternoon when he took off from the Lubbock Airport. He left Tradewind Airport, Amarillo, Wednesday morning to make aerial photographs between Canyon and Abernathy.

The plane was heard a few minutes before it fell by Mrs. Elmer Winters who lives on a farm adjoining the Mayes' Farm.

Mr. Fletcher moved to Amarillo in January and established offices in the Johnson Building, 610 Taylor St. He came from Pueblo, Colo., where he and his wife had a photographic studio. Before the war, Mr. Fletcher was in business in Pampa, and during the war served with the Air Transport Command, and was released in April, 1946 with the rank of Captain. He was 38 years old.

Surviving are the wife and a daughter, Carolyn, 10 years old.

Funeral services were conducted Friday afternoon at 4 o'clock from the Boxwell Brothers Chapel, Amarillo, with Ray Rozell, educational director of the Amarillo First Baptist church, officiating.

Parent-Teacher Conclude Year At Installation

Canyon Parent-Teacher Association featured the installation of officers at the final meeting of the year Thursday afternoon in the grade school library.

Installation by Rev. Hubert Thomson, pastor of the Methodist church, were: President, Mrs. J. D. Barker; vice president, Mrs. W. E. Miller; secretary, Mrs. R. E. Ball; treasurer, Mrs. Gene Root; historian, Mrs. L. S. Johnston; membership chairman, Mrs. Clay Cooper; finance and budget, Mrs. Ed Harrell; publicity and goals, Mrs. A. H. Prichard; hospitality, Mrs. Bill Crow; publications, Mrs. P. K. Burum; room-mothers, Mrs. L. K. Bolton; study course, Mrs. R. A. Neblett.

Assisting Mrs. Crow as members of the hospitality committee will be: Mrs. Bradley Burrus, Mrs. Worth Jennings, Jr., and Mrs. Wilford Taylor, Jr.

Bill Davis and Wilbert Long, accompanied by Mrs. Glenn Dowlen, sang "Blue Skies."

Attendance prizes were awarded to Mrs. Roscoe Davis' third grade and Mrs. Gilmore's seventh grade.

A social hour followed the program, and refreshments were served by Mrs. Crow, Mrs. Cooper and Mrs. Ed Money.

The attractive lace covered table was centered with an arrangement of yellow iris flanked by tapers. Presiding were Mrs. L. M. Cousins and Mrs. A. K. Goodman.

Music selections were presented by the piano pupils of Mrs. Ray McReynolds and by Miss Sarah Jane Martin.

The book, "Points for Parents" will be added to the Parent-Teacher book shelf in the County library and will be available to all interested persons, it was announced.

Hospital News

O. A. Smith, medical.
Mrs. B. H. Gough, medical.
Curtis Lenick, medical.
Mrs. John Steele, medical.
Mrs. Lloyd Bonds, medical.
Charlie Gilliam, medical.
Miss Penny Storey, medical.
Boddy Hodges, medical.
Dorothy Bushyhead, medical.
Phyllis Perkins, medical.
Helen Wilson, medical.
Mrs. O. J. Dukes, medical.

Senior To Play In Piano Recital

West Texas State Department of Music is presenting H. R. Fulton, Jr., in his senior piano recital, Monday afternoon, May 26, at 4:30, in the administration building auditorium.

His program will include compositions of Bach, Schubert, Brahms, Chopin and De Falla.

Mr. and Mrs. Herbert Slack of Tucumcari, N. M., were Canyon visitors Friday.

Month of May Gets Total of 7.51 Inches

Canyon has received 5.26 inches of rain during the last week.

This brings the total for the month of May to 7.51 inches; and the total for 1947 to 10.43 inches.

The heaviest rain for the year fell Wednesday night, when 3.75 inches of moisture fell. Heavy hail fell with this rain, but no great damage was done in the Canyon vicinity. Hail covered a large section of the west part of the county, centering around Umbarger and extending both north and south. Damage to the wheat in this large section ran from 50% to 90%, according to observers. Damage in the Jowell community is reported to average about 50%.

Hail hit again Friday when a large section east of Canyon was almost wiped out. The loss on the wheat crop will run high in this section of the county. The south part of the county escaped with little hail loss.

The rainfall in Canyon has averaged higher than in most of the government stations which report daily. Even at that, the rains have been spotted over Randall county, with some farmers reporting that they have received as much as 8 to 10 inches during the past week.

Many people have asked why the rainfall in Canyon is not reported daily by the Amarillo radio stations, and are usually incorrect in the Amarillo papers. Stations which issue daily reports are on government supported lines with teletypes for the surpose of making daily weather reports to English Field.

There is no station equipped with teletypes between Amarillo and Lubbock, and no reports are sought by telephone or telegram. Clyde Warwick has been government observer in Canyon for more than 20 years, but reports are made only monthly to Houston.

Cool weather has continued following the rains and hail. Wednesday morning witnessed the lowest temperature of the season with 52 degrees being registered.

Girl Scouts Hold Open House for Parents, Friends

Girl Scouts entertained their parents and friends Tuesday night when openhouse was held in the Scout room, with the various troops presenting a program and display of the types of work accomplished by the girls this year. Mrs. W. W. Nicklaus is president of the local Girl Scout Council.

Brownie Scouts of Mrs. Noble Armstrong's troop presented their tonette band, and Mrs. Lewis K. Bolton's troop sang the "Brownie Song."

Girls becoming Scouts left the Brownie troops in the "Fly-Up" ceremony, assisted by the Intermiate Scouts of Mrs. Happy McAtee's and Mrs. E. R. Cleavinger's troops.

Jackie Zue Stokes gave a reading to represent Mrs. Alvin McDonald's Brownies, and Zorah Bishop sang, "Twinkle, Twinkle, Little Star."

Highlighting the entertainment was the presentation of a one-act play, "Star Light, Star Bright" by members of Mrs. Cleavinger's troop to conclude their work for the Dramatics Badge. The play was directed by Miss Martha Hanna, student of the West Texas State Dramatics Department.

Hymns of Scouting were sung by the group, directed by Florence Coffee and accompanied on the accordion by Kathleen Armstrong.

Refreshments of punch and cookies were served by Mrs. Ewing McGehee and her troop in charge.

Brownies of Mrs. F. M. Hacker's and Mrs. Lyle Bonner's troops flying-up were: Juanelle Burrus, Rita Jo Crow, Wendenne Nicklaus, Lucy Hollabaugh, Helen Martin, Alice Mae Simms, Eloyce Money, Betty Burrus, Ruth Ann Bolton, Bonnie Faye Bonner, Colleen Cook, Betty Blanton, Sally Jo Richardson, June Davis, and Helen Meyers.

Mrs. Armstrong's troop: Nancy Adcock, Rhea June Ford, Tanya Hanks, Shirley McGehee, Kathleen McLaury, Martha Quillen and Jo Beth Warren.

Clay Cooper, Worth Jennings, Jr., Tom Knighton, Kelley McGehee and Andy Walsh have returned after a fishing trip to Eagle Nest Lake.

Mr. and Mrs. G. W. Lee and baby daughter, Marcia Lynn, of Bryan were Sunday guests in the home of Mr. and Mrs. Ted Reid.

Editorials

We have an invitation to go to Austin for the purpose of hearing Henry Wallace speak. Unfortunately for Henry we have no desire to hear him. But we realize that Henry may be out to do more damage to the nation than most of us think at the present time. Can it be possible that Henry can muster enough political strength to carry out his threat of heading a third party in 1948? Henry is making a bold bid for the support of organized labor; of the Communists; and every one who has the slightest inclination of being Red. Naturally he will try to swing the Roosevelt following, proclaiming that he is the one and only political leader who will carry out the Roosevelt doctrine. Henry will try to forget that Roosevelt, of his own choice, ditched Henry in favor of Truman. Henry is now trying to tell the people what Roosevelt would do if he were alive and President today—all of which is pure bunk, as no one knows what the Roosevelt mind would be today, under peace time conditions. The voters of Randall county can be assured of one thing, sure and certain: If they believe in the doctrine of giving away the balance of the resources of the nation, just elect Henry and we will sure get rid of our resources in a hurry. Henry is a noted spender—of other people's money. He is a firm admirer of Russia, and a lot of Americans cannot understand why he doesn't join Stalin in Russia if he really believes that Russia is so superior to America. Just what Henry may be able to accomplish is hard to understand. Maybe he will defeat Truman as candidate on the Democratic ticket; and failing in this he may start his proposed third party. Should he run against Truman and Dewey, he might get the backing of enough radicals to land him in the White House. But on the other hand the 1948 election would probably be another episode of party splitting with the Republicans winning, as the Democrats won when Teddy Roosevelt put out his ill-famed Bull Moose party. Yes, sir, we shall see lots of things happen during the 1948 political campaign.

Political observers in Washington were somewhat amazed to see President Truman approve the bill to outlaw portal to portal suits. As much as the President wanted to keep the good graces of the union leaders, he could not afford to do otherwise than approve the bill. Most of the suits were filed with the intention of making Uncle Sam an easy touch. Companies sued were largely those which held fat war contracts. If the union had collected portal to portal pay the companies would come right back on Uncle Sam, and your national war debt would have been boosted by several billion dollars. Since every man, woman and child in the nation has a debt of approximately $2,000 on his shoulders, every American citizen was greatly interested in the outcome of the suits. The addition at pick-up pay, which the average union workman never heard of or contemplated receiving, was the brain child of smart labor racketeers who are doing everything in their power to embarrass the people of the nation. This bill is not to be confused with the general labor curb bill which the President is expected to veto, largely for political reason, and in which case the Republicans hope to muster sufficient strength to override the veto. Incidentally both Texas Senators voted in favor of both labor bills, which are not against the interest of labor, but are passed in the hope that labor leaders may be checked in their mad rush toward the destruction of organized labor.

The railroads are not prepared to handle the huge wheat crop which is in prospect for the Panhandle. While we all like to cuss some one else for all our troubles, in this instance the railroads are not wholly to blame. Let us remember that we have just finished the biggest war that the world has ever known. America was the arsenal of the Allies. As a result we allowed little time, and less material for railroad stock. Our railroads were on duty 24 hours per day, seven days a week wearing out the rolling stock in order to whip Hitler and his gang. Since the war ended strikes have held up construction in vital industries. We are fortunate in living along one of the best financed railroads in the nation. The Santa Fe has built boxcars as rapidly as it could under prevailing conditions; but under national regulations these cars are hoarded in the east and so long as they are in use they will be kept there. The railroad collects only $1.56 per day rental, which is cheaper for the eastern railroads to use these cars than to own them. What will the wheat farmers of the Panhandle do about it? There is nothing that they can do except cuss the prevailing order of the day. The grain men have been fighting the regulation which allows eastern trains to hog the cars which belong to western lines, but nothing will likely be done about the situation before harvest. It takes a long time to get action in a Democracy, which is loaded down with red tape, and useless regulations. But no one in these parts is willing to trade our way of life for any that we have seen.

The taxpayers of the Canyon Independent School District will be given the opportunity of voting upon themselves a fifty percent increase of their school taxes. The discussion which has been going the rounds has been a hopeful sign. While The News is no prophet, we are told that much less opposition to the tax increase measure has developed than was the case when a like election was called last year. The school trustees have tried to present to the voters all of the available information regarding the subject. No one is being kept in the dark as to the needs of the added taxes and the purpose for which the increase taxes will be spent. Likewise, the school board is not trying to feed the people a line of nonsense that some one will come to their rescue and foot the bill. The property owners of the district are the ones who will pay the bill, and no one else. We believe that the idea of appointing a Taxpayer's Committee to assist the trustees in this election was a good idea. Members of this committee have unanimously approved the idea of increased taxes; and likewise of collecting tuition from country schools where students are sent here for schooling. These schools have taken advantage of the unusually low tuition which has been charged in the past, but which are far below the cost of operation of the schools for the taxpayers of the county. No one blames the sending districts for taking advantage of the bargain which has been given them in years past by the local schools. But costs have increased to such an extent that these outlying districts could not operate their own schools as cheaply as they can send to Canyon, even at the increased tuition. Schools are expensive institutions. Good schools are worth all that they cost. If Canyon's schools are not good schools, then it is up to the management to make them the best schools in the Panhandle after this increased tax measure is passed by the voters.

It is reported that the Legislature is going to try once more the policy of passing lump appropriations for the educational institutions. Only three states in the union pass itemized bills such as is the policy in Texas. Only once before did the legislature pass the lump sum appropriation. Members of the law making body became so disgusted at the manner in which the governing boards and administrations of the educational institutions handled the spending of the money that this method of appropriation has never since been considered. The lump sum appropriation gives the administration heads some discretion in the manner in which the money is spent, which is the only just way to handle institutions. And, incidentally, the legislature is using this method for the purpose of throwing a harpoon in the general direction of Governor Jester's head. While the Governor stands for no new taxes, the legislature expresses fear that he may slash appropriations for existing departments of government in an effort to keep within the available revenues of the state. Increased appropriations, over and above the available revenues of the state, might force the Governor to call a special session for the purpose of passing a revenue measure. This is exactly what a majority of the legislature wishes. We shall see what we shall see.

In this issue of the News will be found the first publication of the proposed constitutional amendment which will be voted upon in August. We hope that every voter will read the provisions of this amendment. Frankly the Newsman is delighted to see such an amendment proposed. It will set aside a definite amount of money for buildings for the state educational institutions. No longer will it be necessary for the presidents and members of the governing boards to spend so much time in Austin trying to persuade the legislature that buildings are needed. Every state supported college in Texas is far behind with its building program. This is the sure, safe, sane method of getting buildings when buildings are needed. There is no danger of overbuilding under this program, since every institution is at least 20 years in arrears in its building program, and even under the most favorable conditions it would take a score or more of years to catch up with the building years in all of the colleges.

Help Keep Canyon Clean!

A general strike of 24 hours is proposed in order to impress upon the nation the importance of labor. This will be another silly strike. Every citizen in the nation knows that the nation cannot run without labor, and there are very few persons in the nation who are wholly independent of labor. As a matter of fact there is not a single business or company in the nation which does not depend upon labor; and who's management are laboring men and women themselves. The 12 million union members take themselves too seriously. They are not the only persons in the nation who work. When the nation started to coddle the small group of labor leaders who control the 12 million labor members, trouble started.

The new Texas "right-to-work law" should have an early trial in the courts. Every industry has overlapping unions. When one union strikes, a picket line is set up by the striking union. No union man crosses this picket line. The new Texas law declares that striking unions cannot set up picket lines, which will keep other people from their usual work. If this law does not stand the test of courts, then the whole procedure to curb unions will fail. We should know in a few months just how effective these new labor laws will prove.

Several years ago rain fell thruout the harvest period. Much wheat was lost in the mud and high weeds. In recalling this condition, farmers are alarmed at the continued rains, in face of the finest prospects for wheat that the Panhandle have ever seen.

High capitol Democrats say that Henry wallace is speaking in Europe as a private citizen. He may be a citizen, but he's sure not private.

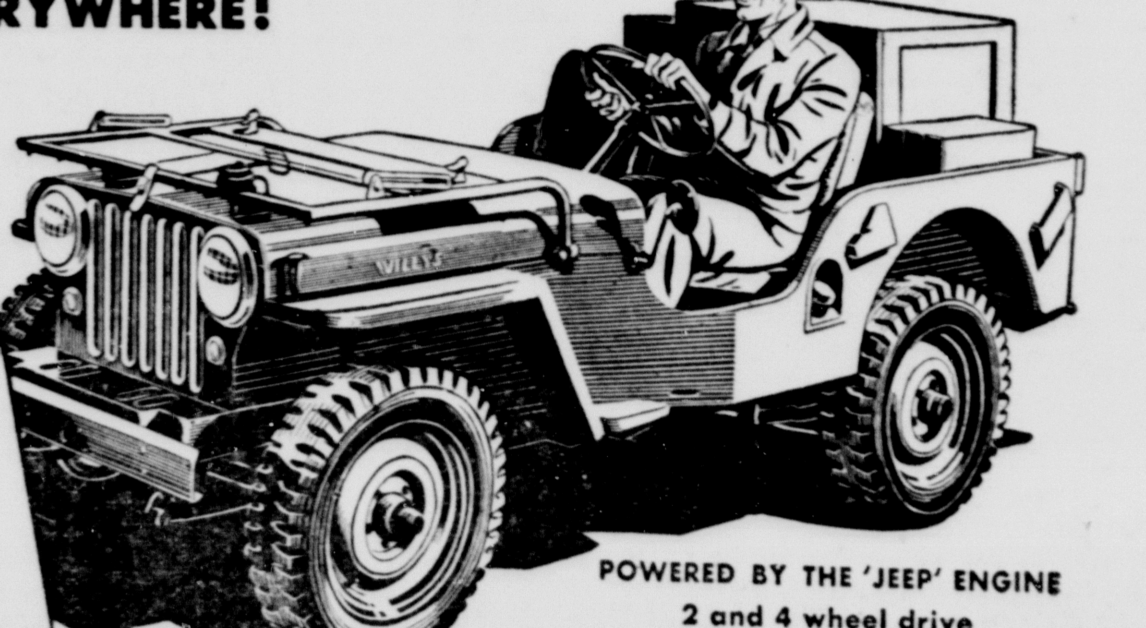
HARDEN & HEATH

One Versatile Vehicle for 1,001 Jobs

... ON THE FARM ... IN INDUSTRY ... EVERYWHERE!



THE MIGHTY 'JEEP' DOES ALL THIS—

—Serves as an economical pick-up truck for loads up to 1,200 lbs.

—Tows trailed payloads up to 2½ tons with reserve for grades.

—Serves as a light tractor to operate standard farm implements and new hydraulic equipment.

—With power take-off, delivers to 30 hp for belt work, powers V-belt and shaft-driven equipment.

—In 4-wheel drive, goes cross-country, up steep grades, through mud, snow and sand that would stop ordinary vehicles.

—Maximum gasoline economy in 2 wheel drive on the highway

POWERED BY THE 'JEEP' ENGINE

2 and 4 wheel drive

If you run a business or farm, you can speed up work and save money with the Universal "Jeep." It has the power, operating range and maneuverability to do more kinds of work and spread its cost over more jobs. Come in and see how the "Jeep" fits your need for widest usefulness.

THE UNIVERSAL 'Jeep'

Byrd's Men See Land of Lakes

Planes Land on 'Oasis' Area Reported as Sighted Near South Pole.

LITTLE AMERICA.—A Mariner seaplane has landed in the inland lake "oasis," previously reported as having been discovered by navy flyers, according to official navy dispatches.

Crewmen reported they found the water there "definitely warmer" than elsewhere and noted what appeared to be ore-bearing rocks. Flying much farther westward, a second seaplane discovered outcroppings of dark red rocks.

No vegetation, steam or smoke was found by the crewmen who landed on a lake. They reported the oasis area of lakes bare earth rimmed with ice.

Their landing, believed the first by any seaplane on the continental area of Antarctica, was 200 feet above sea level. Other lakes nearby were of different levels, said dispatches released by Capt. R. S. Quackenbush Jr., chief of staff.

Get Sample of Water.

The plane brought back a sample of lake water which may help solve the mystery of a land of lakes existing amid the polar icecap. Quackenbush said the description indicated that the lakes might be formed by warm water springs.

The crewmen, while reporting the lake water distinctly warmer, did not specify whether they were comparing it with antarctic sea water temperature or what. No thermometer readings were taken. A few birds were flying around the lake area.

Lt. Comdr. David E. Bunger of Coronado, Calif., the pilot, said there was a glacier to the north and west of the lake region. More color photografs were taken. Bunger on a flight about 100 miles south of the lake region found several mountains at a height of several thousand feet above sea level and in one place measured part of the continental icecap at 8,300 feet above sea level.

Move Westward.

The second plane to the west of the lake region sighted "nunataks"—outcroppings of rock—above the icecap and said these were dark red. These outcroppings were found in the vicinity of Mount Gauss on the Wilhelm II coast. They first were picked up by radar. Quackenbush said the plane's magnetic compass behaved almost normally in the flight over the red peaks. This plane was piloted by Lt. William R. Kreitzer of San Francisco. The crew reported the continent had an average altitude of more than 6,000 feet in that general area.

The icebreaker North Wind towed the crippled cargo ship Merrick out of the icepack and then to New Zealand for repairs. The Merrick smashed its rudder on an ice floe.

Indian Princess Winner in Tiff Over Payment for License Fee

BOSTON.—An Indian "princess" from Old Town, Me., gave the state of Massachusetts a history lesson—and thereby saved $25.

The visitor, Princess Goldenrod, had been told she would have to obtain a $25 peddler's license to sell basketry and Indian souvenirs at a sportsman's show.

Notified to appear at the statehouse, she had a ready answer. An old treaty between her tribe and Massachusetts Bay colony, she said, gave the Indians freedom from all state taxes and license fees.

State clerks conceded the point but noted she was not from Massachusetts but from Maine.

The princess had another answer. When the treaty was drawn, she said, Maine was a part of Massachusetts, and when the two became separate states each assumed the obligation to the tribe. That point was well taken, also.

92-Year-Old Hunter Kills 10 Quail With Borrowed Shotgun

GROVE, OKLA. — Ninety-two-year-old F. Needham killed 10 quail with his son's "newfangled" gun, but he says in the future he'll use nothing but his old muzzle-loading shotgun.

Needham, who lives on a farm near here, usually uses his old gun, anyway. However, upon seeing a lush covey of quail in his garden and with no time to load his own gun, he grabbed his son's automatic 12-gauge and took a potshot.

The recoil knocked him down, and Needham suffered a sprained leg and bruises. He vowed he'd have "no more truck with these newfangled guns."

"Shells must be loaded with dynamite!" he muttered.

Sow Helps Along Pork Supply With 36 Pigs in One Year

WINNSBORO, S. C.—Pork is plentiful in these parts. Here's one reason why:

A spotted Poland China sow on the farm of J. B. Wingard farrowed 11 pigs January 9, 1946, rearing all of them.

She farrowed 12 last July and all of them survived.

On January 17 she came along with a litter of 13 and at last reports everything was fine.

Bride-elect Is Shower Honoree

Miss Jean Kleinschmidt, daughter of Mr. and Mrs. J. W. Kleinschmidt, of this city, was complimented when she was named honoree at a miscellaneous tea-shower given Thursday evening, May 15, in the home of Mrs. W. C. Black.

Hostesses for the occasion were: Mrs. Ray Campbell, Mrs. C. L. Thompson, Mrs. T. H. Knighton and Mrs. Black.

Miss Kleinschmidt is the bride-elect of Frank Donald Didier, Jr., of Los Angeles. Date of the wedding has been announced as June 12, in the First Presbyterian church, Hollywood, Calif.

The honoree was presented with a corsage of baby gardenias and corn flowers in blue and white by the hostesses, and her mother received an iris corsage.

Blue and white, the bride-elect's chosen colors were emphasized in room and table decorations and refreshments, and in the room where the gifts were displayed.

Mrs. Bryan McDonald sang special vocal numbers, and Mrs. Lee Foster played appropriate piano selections during the refreshment hour.

The table was covered with a white linen cloth of cut work design and centered with an arrangement of snowball and iris, flanked on either side with tall white tapers in crystal holders.

Mrs. Travis Shaw presided at the silver coffee service, and individual cakes iced in white and decorated with blue wedding bells, blue and white mints and nuts were served with coffee or tea to the guests.

Invited were: Mesdames Guy Harp, Ed Harrell, Marion Higdon, J. A. Hill, S. L. Ingham, T. S. Maxwell, Ray McReynolds, T. C. Thompson, A. M. Meyer, W. E. Miller, E. J. Cundiff, W. A. Warren, Bryan McDonald, Ethel Black, Irene Sloan, J. L. Duflot, L. Angel, George, Nance, W. L. Smith, W. Holmes Smith, Clyde Warwick, J. A. Cheatham, Lee Johnson, K. E. Frieze, Katherine Künze, L. F. Sheffy, C. R. Burrow, Wallace R. Clark, M. E. Cleavinger, Lee Foster, R. A. Neblett, J. D. Barker, Dan Sanders, T. Shaw, C. H. Jarrett, J. J. Walker, Herschel Coffee, Nancy McCaslin, Ann Wofford, N. A. Croson, L. D. Winn, L. L. Byars, Harvey Cash, C. N. Harrison, C. A. Murray, D. A. Shirley, Meredith Warren, R. A. Terrill, Tom Brasher, T. V. Reeves, C. R. Flesher, J. S. Humphreys, I. F. SoRelle, S. H. Condron, F. E. Savage, and W. L. Vaughan.

Misses Marion Miller, Betty Dromgoole, Frances Vaughan, Frances Alice Harp, Jean Smith, Irene Angel, Pearl Black, Pauline Brigham, Helen White Moore, Margaret Barrett and Shirley Byars.

MOTHER-IN-LAW CLUB HAS COVERED DISH DINNER

Husbands were special guests when members of the Mother-In-Law Club were entertained in the home of Mr. and Mrs. G. W. Cox, Friday evening, May 16, with a covered dish dinner, for the final meeting of the season.

Later in the evening, the members and guests were entertained with a reading by Mrs. R. D. Lowry, and a song, "Home on the Range," was sung by the group with Mrs. Fred Sorgee at the piano. Mr. Cox showed moving pictures taken of the club members, as well as other films of interest.

The club was presented a bouquet of iris by Mr. and Mrs. A. B. Duncan.

Arrangements of iris and fern decorated the dining table, from which the dinner was served buffet style with coffee or punch.

Present were: Mr. and Mrs. J. W. Bourn, Mr. and Mrs. I. W. Scott, Mr. and Mrs. Gibbs, Mr. and Mrs. W. H. Sparks, Mr. and Mrs. T. M. Thurmon, Mr. and Mrs. Otto Samuelson, Mrs. Fred Sorgee, Mrs. Addie Hefner, Mrs. Mary Burtz, Mrs. Anderson, Mrs. Jessie Reid, Mrs. J. S. Cleland, Mrs. Ward, Mrs. Duncan, Mrs. W. I. Wester, Mrs. G. B. Combs, Mrs. W. T. Oliver, Mrs. C. H Stratton and Charles, Mrs Lowry, Mr. and Mrs. Cox, and Mr. and Mrs. Ray Holland of Muleshoe.

MURRAY BIBLE CLASS HAS MONTHLY MEETING

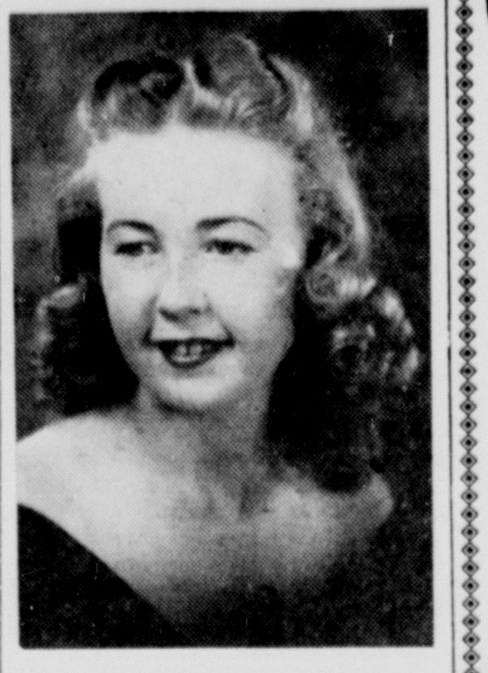
Members of the Murray Bible Class were entertained for their monthly social in the home of Mrs. Ruth Hill. The meeting opened with the group singing the class song, "In the Garden."

After the covered dish dinner, a short business session was conducted. The program was concluded with the song, "Blest Be the Tie That Binds," and a prayer.

Present were: Mrs. W. H. Stroud, Mrs. E. Gidden, Mrs. Otto Samuelson, Mrs. Wilford Taylor, Jr., Mrs. Clyde Davis, Mrs. John Gamble, Mrs. Gladdis Samples, Mrs. Merton Myers, Mrs. Lorraine Roberts, Mrs. Bertha Hicks, and Mrs. W. R. Adcock, mother of the hostess.

Gromyko and his 10 vetoes bring to mind the grim character who barked into the phone: "No . . . no . . . no . . . yes." The yes was when the other party asked: "Can you hear me?"

Couple Is United In Ring Ceremony



MRS. CURTIS W. SAMPLES, JR.

Mr. and Mrs. C. E. Head announce the marriage of their daughter, Ernestine, to Curtis W. Samples, Jr., Thursday, May 15.

Vows were exchanged by the couple in a single ring ceremony performed in the Methodist parsonage in Clovis N. M., with the Rev. J. C. English, pastor, officiating.

Miss Peggy Head, sister of the bride, attended the couple.

Mr. and Mrs. Samples will be at home in this city where the bridegroom is employed with the National Home and Auto Store, and the bride with Southwestern Bell Telephone Company.

PRESBYTERIAN GUILD HAS FINAL PROGRAM

Mrs. W. E. Miller was hostess when she entertained the Presbyterian Guild in her home Tuesday evening with fifteen members and three visitors present.

Mrs. Clarence Thompson led the devotional, using as her topic, "Brotherhood," and Mrs. Ray Cole gave an interesting talk on the "People of the World."

After a brief business session, a social hour was held. The Guild adjourned until the third Tuesday in September.

TUESDAY SUPPER CLUB ENTERTAINED IN HOME

Mr. and Mrs. Bill Downing entertained the Tuesday Supper club in their home for "Forty-two" at five tables. Sam Hill was awarded the traveling prize for the evening.

A covered dish supper was served preceding the games.

Present were: Mr. and Mrs. Worth Jennings, Jr., Mr. and Mrs. Clay Cooper, Mr. and Mrs. Burney Slack, Mr. and Mrs. Bill Money, Mr. and Mrs. Jack Middleton, Mr. and Mrs. Marion Higdon, Mr. and Mrs. Sam Hill, Mr. and Mrs. J. A. Edwards, Mr. and Mrs. W. M. Thompson, Jack Downing and the host and hostess.

Generalissimo Chiang Kai-shek is acutely worried over a shortage of ammunition with which to fight China's Communists. Although Chiang's forces received surplus ammunition from the U. S. Marines, military leaders say the supply is too small to power all-out warfare. In Manchuria, some of the Nationalist Government's crack divisions soon may become useless because they lack American ammunition for their American arms.

Communist control of French labor is being challenged behind the scenes. Membership of the General Confederation of Labor, where the Communists now hold only a slim margin of control, may drop to less than 6,000,000. The anti-Communist French Confederation of Christian workers, which leans towards Gen. Charles de Galle, is picking up members and now has more than 1,000,000.

After paying for most of the war, Uncle Sam is now expected to pay for most of the peace. You might think money grew on treaties.

Maybe the traditional Russian symbol should be changed from a bear to a pig.

M. Y. F. BAKE SALE

Saturday, May 24, is the date set for the bake sale to be held by the Methodist Youth Fellowship in Bellah's Grocery. The sale will begin at 10 o'clock.

Lt. and Mrs. Larry Sparks and children are moving to San Antonio where he is stationed. Mrs. Sparks, the former Elizabeth Croson, has been teaching at Harlingen for the past two years.

Mr. and Mrs. H. B. Estes of Memphis, Tenn., are visiting in the home of Mr. and Mrs. J. J. Walker. Mrs. J. R. Allen, sister of Mrs. Walker, who has been here for the past week, will return with them.

Mr. and Mrs. Ray Dunnagan and baby daughter, Lorna Rae, of Fresno, Calif., are here for a visit with Mrs. Dunnagan's parents, Mr. and Mrs. Cass Jennings. She is the former Dorothy Jean Jennings.

Mrs. Otto Brandt, Dewayne and Edna Marie Brandt of Loveland, Colo., are guests this week in the home of Mr. and Mrs. A. K. Goodman.

Mr. and Mrs. E. C. Penick were recent visitors in Borger where they were guests in the home of Mr. and Mrs. Sterling Dobbs and son, Gerald Lee Penick.

Mr. and Mrs. Kenneth Gibson of Borger were recent guests here with her mother, Mrs. Lemuel Jarrett. Mrs. Jarrett returned to Canyon with them after a visit in Borger.

Mrs. J. A. Brewer of Childress is visiting in the home of her son-in-law and daughter, Mr. and Mrs. Lee Foster, and with her granddaughter, Sally.

Mrs. Mary Dale Buckner of Washington, D. C., is visiting with her sister and brother-in-law, Mr. and Mrs. L. Wirt, this week.

Mrs. Paul Rogers was in Amarillo one day last week to attend a Barbara Gould cosmetic school.

Mr. and Mrs. E. C. Penick left Saturday for Hot Springs, N. M., to visit their son, Leon.

Mr. and Mrs. A. K. Goodman and Shirley, and Mrs. Otto Brandt and Edna Marie spent Sunday visiting in the home of Mr. and Mrs. K. H. Cox and Kenneth in Lubbock. The occasion was the celebration of Kenneth's and Shirley's birthdays which occur on the same day.

Miss Frankie Phillips, daughter of Mr. and Mrs. Frank R. Phillips, of this city is a member of the graduating class of Texas State College for Women at Denton. Commencement exercises are scheduled for June 2.

Zilda de Azeredo e Silva has returned to Fort Worth where she will attend the summer session of the Baptist Seminary. She has been the guest of Beulah Hammond for the past several weeks. Miss Silva is from Brazil, South America.

Lt. James D. Watts arrived in Canyon recently after serving with the Seventh Air Corps in the Pacific since July. He is spending a 60-day furlough with his wife and children, Bob, Pat and Linda Ann.

You'll find everything here for an all-out good time . . . all the picnic pleasers and smacking good snacks that make the lunch the high spot of the eating . . . the life of the party. So head for a spread in the cool outdoors this weekend with a basketful of these delicious foods picked for picnics packed with pleasure. Our money-saving prices send you on your way to a high time at a low low cost.

Highland News

Farmers are ready for the rain to cease. Nearly four inches of rain were received in the showers since last Wednesday afternoon.

Mr. and Mrs. Bill Atkins of Borger are spending a few weeks with Mr. and Mrs. Ed Sharp.

Mr. and Mrs. Harry Fuqua of Pampa visited at the Carl Fuqua home last Tuesday afternoon.

Mrs. R. J. Sharp called on Mrs. George Mason and Mrs. Carl Fuqua last Tuesday afternoon.

Mr. and Mrs. L. J. Fulton entertained company from Kansas over the week end.

Mr. and Mrs. Jimmy Randall of Amarillo visited at the Howard Fuqua home Sunday afternoon.

Mr. and Mrs. E. C. Paxton visited at the Carl Fuqua home Tuesday evening.

Mr. and Mrs. Guthrie shopped in Amarillo Saturday.

Mrs. Atchley and children shopped in Amarillo last Monday.

Mr. and Mrs. Archie Druin were in the community last week looking over their farming interests.

Mr. and Mrs. Carl Fuqua spent the week end in Pampa visiting Mr. and Mrs. Harry Fuqua and Mr. and Mrs. J. C. McKaughan.

The Highland H. D. Club will meet at the home of Mrs. M. L. Cribbs Tuesday, May 27th.

The graduates of the Wildorado high school this year are, Alice Galbreth, Lawana Gywn, Maurine Atchley and Glen Green.

The eighth grade graduates are: Rita Tapscott, Billy Joe Broaddus, Robert Galbreth, Charlie Grantham and Henry Batenhorst. Exercises will be Tuesday night, May 20.

Miss Mary Eugenia Humphreys, daughter of Mr. and Mrs. Sam Humphreys of Houston, and granddaughter of Mr. and Mrs. John S. Humphreys of this city, will receive her degree from Texas State College for Women, Denton, June 2, according to an announcement received here this week.

Mr. and Mrs. Norman Cleavinger and Mr. and Mrs. O. C. Axtell of Spring Lake and Mr. and Mrs. M. E. Cleavinger of this city have returned from a week's vacation trip to Oklahoma and Kansas.

BAPTIST CHURCH

Pastor Roy L. Johnson will preach Sunday, May 25, at 11 o'clock on "Is there a chance after death?" He will present the Scripture for all he has to say on this important subject. Other services during the day will be Sunday School at 9:45 a. m. and Training Union at 7:00 p. m., closing in time for all to attend the high school commencement sermon at 8:00.

The church has recently bought new tables and chairs for its Sunday School beginners of four and five years who number thirty-five, and other new equipment is being gradually added to make every department up to the best.

Vacation Bible School enrollment and parade session will be at 2:00 on Saturday, May 31, and the two-week school for boys and girls 4-16 will be directed by Miss Beulah E. Hammond who spent last summer in New Mexico in this type of work and has spent the past year in Southwestern Baptist Theological Seminary in Fort Worth studying religious education. The school is open to all children of the community, regardless of church.

Mr. and Mrs. Lon Davis of Floydada are visiting in the home of her parents, Mr. and Mrs. Henry Bradford, and with her brother-in-law and sister, Mr. and Mrs. W. C. Black.

Mr. and Mrs. Leroy Moreland had as their guests Sunday, her parents, Mr. and Mrs. Otis Houpt of Tucumcari, N. M.

Mr. and Mrs. Earl Norman and daughters, Beverly and Kay, of Lockney were guests Sunday in the home of Mr. and Mrs. Joe Norman.

Mr. and Mrs. W. A. Warren and Bernard are in Fort Worth and Dallas this week attending markets and buying merchandise for Warren's.

Mr. and Mrs. Mark Foster and Mr. and Mrs. Donald Olson were Sunday guests in the home of Mr. and Mrs. Leo Uselding in Amarillo.

Mr. and Mrs. Alton Brasuel and Don of Lubbock, and George Brasuel of Amarillo were recent guests in the home of Mrs. Hattie Brasuel.

Sending a Boy to Do a Man's Work

Miss Erdman Speaks To Writers' Society

Miss Loula Grace Erdman returned yesterday from Kansas City, Missouri, where she addressed the National League of American Penwomen.

Delivering her speech at the Saturday dinner, Miss Erdman talked on "The Technique of the Novel."

The league met in the Muehlbach Hotel May 22-26.

Mr. and Mrs. Jess Wallace of Sacramento, Calif., are spending a few days in the home of Mr. and Mrs. W. H. McAtee. Mr. Wallace and Mr. McAtee are cousins.

Mr. and Mrs. Overton Donnell and little daughter, Denise, of Sunray, were here during the week end to visit in the home of her uncle, T. A. Black, and with Mrs. Donnell's parents, Mr. and Mrs. L. A. Donnell.

Mr. and Mrs. Ed Mickle and daughter, Mrs. J. L. Hefner of Mosquero, N. M., are fishing at Eagle Nest Lake this week.

W. A. Graham has returned from Mineral Wells where he went to take the C. P. A. examination.

Now that the telephone strike is over

The strike is over and our employees are back on the job. Service, both local and long distance, is returning to normal.

To the public we say: We are genuinely appreciative of your patience and your willingness to co-operate during the work stoppage.

We thank the thousands of telephone people, supervisors and others, who put in long and arduous hours in the effort to continue to give emergency service. To these people who carried the load when the going was tough we are most grateful.

To the returning workers in all departments we say: Welcome back. We are glad to have you again at your posts. Let's all forget the strike and get back to the job of furnishing telephone service.

NO CHARGE FOR INTERRUPTED SERVICE

Telephone users in Canyon will not be charged for exchange service for the period of the emergency. An adjustment will be made on telephone bills.

Southwestern Bell Telephone Company

Mr. and Mrs. Louie Bonds of Tulia spent the week end as guests in the home of Mr. and Mrs. T. V. Slack.

Mrs. Byrd Knight of Stephenville is a guest in the home of Mr. and Mrs. J. A. Guthrie. She is a sister of Mr. Guthrie.

Guests Sunday in the home of Mr. and Mrs. Henry Cone were Bill Cone of Perryton and Mrs. Lowell Miller of Frederick, Okla.

NOTICE OF SCHOOL TAX ELECTION

THE STATE OF TEXAS
COUNTY OF RANDALL
Canyon Independent School District.

To the Resident Qualified Electors of Canyon Independent School District Who Own Taxable Property in Said School District, and Who Have Duly Rendered the Same for Taxation:

TAKE NOTICE that an election will be held on the 7 day of June, 1947 within the CANYON INDEPENDENT SCHOOL DISTRICT, in obedience to an order duly entered by the Board of Trustees of said School District, on the 13 day of May, 1947, and which said order is made a component part of this Notice, and such order is in words and figures as follows:

ORDER FOR SCHOOL TAX ELECTION
THE STATE OF TEXAS
COUNTY OF RANDALL
Canyon Independent School District

ON THIS, the 13th day of May, 1947, the Board of Trustees of the CANYON INDEPNEDENT SCHOOL DISTRICT convened in regular session at the regular meeting place of said Board in said District, with the following members present and in attendance, to-wit:

Mr. J. W. Spencer, President
Ross Craig
W. R. Crow
Wilford Taylor, Jr.
Bradley Burrus
Dr. R. A. Neblett
Mrs. D. F. Sanders

and with the following absent: None constituting a quorum; and, among other proceedings had by said Board of Trustees, were the following:

There came on to be considered the petition of P. E. Lindsey and twenty-three others, asking that an election be ordered upon the propositions hereinafter stated; and

IT APPEARING to the satisfaction of this Board that said petition is signed by more than twenty (20) resident qualified electors and taxpaying voters of CANYON INDEPENDENT SCHOOL DISTRICT, who own taxable property in said District, and that such petition is otherwise in conformity with the law, this Board is of the opinion that said petition should be granted, and that said election, as prayed for, should be ordered; therefore,

BE IT ORDERED BY THE BOARD OF TRUSTEES OF CANYON INDEPENDENT SCHOOL DISTRICT:

That an election be held in said CANYON INDEPENDENT SCHOOL DISTRICT on the 7 day of June, 1947, which is not less than ten (10) nor more than thirty (30) days from the date of this order, at which election, in accordance with said petition, the following proposition shall be submitted to the resident qualified electors and taxpaying voters of CANYON INDEPENDENT SCHOOL DISTRICT, who each own property in said District and who has duly rendered the same for taxation, for their action thereupon:

"SHALL the Board of Trustees of CANYON INDEPENDENT SCHOOL DISTRICT have the power to levy and collect annually a tax upon all taxable property in said School District for the maintenance of public free schools therein of and at the rate of not exceeding ONE DOLLAR AND FIFTY CENTS ($1.50) on the one hundred dollars valuation of all taxable property in said School District, until the same shall be discontinued as provided by law?"

That said election shall be held at the following place in the CANYON INDEPENDENT SCHOOL DISTRICT, and the following persons are hereby appointed Judges and Clerks, to-wit:

J. W. Shook Ray McReynolds
CITY HALL, CANYON, TEXAS: For all qualified voters residing in the Canyon Independent School District.

IT IS FURTHER ORDERED that the ballots for said election shall have written or printed there on the following:

OFFICIAL BALLOT
"FOR MAINTENANCE TAX"
"AGAINST MAINTENANCE TAX"

AS TO the foregoing proposition, each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote on the proposition.

NONE but resident qualified electors, who own taxable property in the CANYON INDEPENDENT SCHOOL DISTRICT, and who have duly rendered the same for taxation, shall be allowed to vote at said election.

THE SECRETARY of this Board of Trustees shall forthwith issue notice of said election, stating in substance the contents of this election order and the time and place of said election, and said Secretary shall post a copy of such notice in three places in the District for at least ten (10) days prior to the date fixed for said election. Immediately after said election has been held, the officers holding the same shall make returns of the results thereof to the Board of Trustees of said School District, and return the ballot box to the Secretary of said Board, who shall safely keep the same and deliver them, together with the returns of the election, to the Board of Trustees at its next regular or special meeting.

SAID ELECTION shall be held and conducted as provided by law for general elections, except as modified by Chapter 13, Title 49, of the 1925 Texas Revised Civil Statutes, and amendments thereto; and this board will furnish all necessary ballots and other election supplies requisite to said election.

The above order having been read in full, it was moved by Dr. Neblett and seconded by W. R. Crow that the same be passed. Thereupon the question being called for, the following members of the Board voted: Aye: J. W. Spencer, Ross Craig, W. R. Crow, Bradley Burrus, Wilford Taylor, Jr., Dr. R. A. Neblett, and Mrs. D. F. Sanders. No: None.

PASSED AND APPROVED this the 13th day of May, 1947.

J. W. SPENCER,
President, Board of Trustees
Canyon Independent School District.

ATTEST:
MRS. D. F. SANDERS,
Secretary, Board of Trustees
Canyon Independent School District

"SON of Man, whenever I doubt of life I think of Thee." So wrote George Matheson in his blindness. Whenever you and I doubt either God or man, we should do well to think of Jesus. His Cross is a symbol both of what God is and what we may become. The proud Roman at the foot of the cross was compelled to say, "This man was a Son of God."

JESUS was supremely a man of faith . . . knowing what was in both man and God he had great faith in both. We have faith in God largely because we must have Him; we are not sufficient unto ourselves. Faith can overcome the most miserable circumstances . . . overcome despair.

LIFE becomes a radiant thing for people of faith, since they see deeper into the secrets of life. The universe opens its heart to eyes of faith; closed doors swing ajar when faithful steps approach; loving spirits smile their welcome to trustworthy souls; laten powers blossom in the presence of fidelity; young children and wise old age give themselves with abandon to those who offer them confidence; God waits to shower His blessings on men who can be trusted. Of the Pilgrims of yesterday, guided by the Divine, it was said, "They were MEN OF FAITH AND VERY SURE OF GOD."

YOU IN THE CHURCH
THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good.

Wales Reviving National Spirit

British Rugged Peninsula Seeks Department in The Government.

WASHINGTON. — Renewal in Wales of the effort to obtain a special department for Welsh affairs within the British government marks the national spirit that has been revived in recent decades in this rugged west-central peninsula of Great Britain.

For more than a thousand years history and geography have combined both to link and to separate England and Wales. Into the Welsh hills the early Britons fled before the Anglo-Saxon invasion. There, in the shelter of narrow, isolated valleys, these Celtic people maintained their independence until near the end of the thirteenth century, when Edward I of England brought about submission.

It was at this time as a result of Edward's naming his infant son the "Prince of Wales"—that the familiar title for England's heirs to the throne originated.

Valleys Lead to England.

A relief map of Wales shows graphically its physical ties with England. From the Welsh central highlands, four important river valleys open eastward toward the English midlands.

The coastal plains of north and south Wales provide highways of communication in use since Roman, Norman and English conquerors marched this way. The northern route between Chester and Holyhead is still the chief traffic lane between Great Britain and Ireland.

Along the coastal lowlands, particularly in the southeast facing the English county Monmouthshire, are concentrated most of the New Jersey-size peninsula's 2,500,000 people. The bulk of the land, however, is made up of the thinly-settled interior, a mass of hills that rises beyond the traveled routes.

In this remote region of moors and heather, framed by sculptured peaks and relieved by occasional fertile stretches, farming offered for centuries the chief means of a frugal existence.

Land of Ups and Downs.

Discovery of rich mineral resources, iron, copper, zinc, tin, lead and especially high-grade coal, transformed Welsh economy. Mining and manufacturing towns grew up. Ports flourished, led by coal-exporting Cardiff.

In time, exhaustion of local iron ores, loss of foreign markets for coal, and world-wide depression brought hard times. World War II, with the dispersal of British industry, resulted in renewal of Welsh activity—but at the price of enemy bombings.

Today, postwar planning is directed not only toward restoration of the old heavy industry, but also toward introduction of products of light industry, improvement of transportation and development of a tourist trade.

Interest in the Welsh language and tradition, strongly revived during the nineteenth century, continues to increase. A cultural rather than political movement, it is demonstrated in numerous festivals and contests, featuring the old songs, poetry, legends and folklore.

Balutrons Added to Cosmic Rays by Russian Scientists

LONDON. — The Moscow radio announced that Russian scientists had discovered phenomena leading to a new conception of the properties of cosmic rays.

The broadcast, reporting disclosures of Soviet cosmic ray researchers at a meeting of the physico-mathematical department of the U.S.S.R. Academy of Sciences in Moscow, added:

It was established that cosmic rays contain components capable of penetrating through a great thickness of substance.

"These components produce phenomena, analysis of which compels us to alter in many respects our conception of the composition of cosmic rays.

"In the course of study it has been proved that, side by side with earlier known components of cosmic rays—neutrons and electrons—there exist yet other components, called balutrons."

Slash Early Potato Acreage To Prevent Another Surplus

WASHINGTON. — Growers of early potatoes intend to do their part in preventing another potato surplus this year, an agriculture department report indicated.

The report shows a prospective acreage of 112,600 acres of commercial early potatoes as compared with 132,500 harvested last year.

Young Divorcees and Widows Show Big Increase in 1946

WASHINGTON.—The census bureau reported the number of widowed and divorced women 20 to 44 years old increased 35.3 per cent during 1944 through 1946, although the total number of women of these ages increased only 2.8 per cent. In announcing the results of its surveys, the bureau said many women had lost their husbands in the war. It blamed some divorces on the war, too.

Don't waste time chewing the fat. Uncle Sam still needs it.

The cure of dread diseases, though understood by medical men, constitutes a miracle to the ignorant.

Canyon, Texas

THE STATE OF TEXAS
To: C. O. Hayes, Defendant,
Greeting:

You are hereby commanded to appear before the Honorable 47th Judicial District Court of Randall County, at the Court House thereof, in Canyon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of 42 days from the date of the issuance of this citation, same being the 23rd day of June, A. D., 1947, then and there to answer Plaintiff's petition filed in said Court on the 6th day of May, A. D. 1947, in this cause. Numbered 1974, on the Docket of said Court and Styled EULA K. HAYES, Plaintiff, vs. C. O. HAYES, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Suit for divorce on the grounds of voluntary abandonment for three years, with the expressed intention of permanently abandoning plaintiff; and for custody of Plaintiff's minor daughter, Helen Hayes, 11 years of age.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Witness, T. H. Lair, Clerk of the District Court of Randall County, Texas.

Issued and Given under my hand and seal of said Court at office in the City of Canyon, Texas, this the 9th day of May, A. D., 1947.

(Seal) T. H. LAIR, Clerk
District Court
11t4 Randall County, Texas.

Now is the time when we put in that "final ton of coal"—and again every two weeks for some time to come.

Fairview Breezes

We were glad to be at Sunday School again after two weeks absence owing to muddy roads. There was a good crowd present.

Were glad to welcome Mrs. Finis Braziel and Mary Alyce and Mr. and Mrs. J. F. Welcher and son, Billy, and daughter, Mrs. Jimmy Stipe for Sunday school. Nan Earlyle Shipman played.

The Sing-Song at Fairview was well attended. We were glad to have Mr. and Mrs. E. C. Hawes, our old time neighbors and friends, Mr. and Mrs. Norman Glenn and family, and Mrs. Prewett and Fred Braggs. All led in singing which we enjoyed very much.

Charles and Troye Wayne Sharpes picnicked in the Canyon Sunday.

We are having more rain, but have not had hail so far.

There will be a called meeting of the Centerview Home Demonstration Club in the home of Mrs. G. E. Wesley Friday afternoon at 2:30.

Mrs. M. E. Tucker is visiting her sister in Amarillo this week.

Frankie Lee Gipson, S2-c, son of Mr. and Mrs. S. L. Gipson of this city has completed recruit training at the U. S. Naval Training Center, San Diego, Calif., with Company Fifteen. While in training, the Personnel Pennant, the Infantry Pennant and the Barracks Pennant were won by this company. Seaman Gipson entered Naval service Feb. 24, and before this, he was enrolled as a student at Canyon High School.

Harley Burrus was named a member of the board of directors for the Consumers Fuel Association when the group held a meeting at the station recently. Mr. Burrus will replace Henry F. Miller, resigned.

Mr. and Mrs. V. P. Hill and son of Spearman, and Mr. and Mrs. G. M. Phillips and son of Plainview were week end guests in the home of Mr. and Mrs. Worth Jennings, Sr., Mrs. Hill and Mrs. Phillips are daughters of Mr. and Mrs. Jennings.

Mr. and Mrs. R. D. Lowry left yesterday for a two-week's vacation trip to Dallas and Houston where they will visit relatives and friends.

Mr. and Mrs. C. W. Fewell and children of Vega, were in Canyon Monday. Mrs. Fewell, a teacher in the Vega schools, will attend school at West Texas State this summer. She is the former Miss Mildred Burtz.

Joseph Findley, minister of the First Christian church, returned to Canyon Saturday after a visit in Fort Worth.

SENATE JOINT RESOLUTION NO. 4

proposing an amendment to Article VII of the Constitution of the State of Texas by the addition of two new sections to be known as Sections 17 and 18 providing a special fund for the payment of Confederate pensions and providing a method of payment for the construction and equipment of buildings and other permanent improvements at state institutions of higher learning; providing for a five-cent reduction in the maximum allowable state tax on property; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 7 of the Constitution of the State of Texas be amended by adding thereto Sections 17 and 18 which shall read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven (7c) Cents on the One Hundred ($100.00) Dollars valuation heretofore permitted to be levied by Section 51 of Article 3, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two (2c) Cents on the One Hundred ($100.00) Dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations, and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate hereinabove levied.

"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Five (5c) Cents on the One Hundred ($100.00) Dollars valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings, or other permanent improvements at the designated institutions of higher learning; and the governing board of each of such institutions of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed three (3%) per cent per annum and shall mature serially or otherwise not to exceed ten (10) years from the first (1st) day of January of each year in which such funds are allocated or re-allocated to said respective institutions; provided, the power to issue bonds or notes hereunder is expressly limited to a period of thirty (30) years from the date of the adoption of this amendment; and provided further, that the Five (5c) Cent tax hereby levied shall expire finally upon payment of all bonds hereby authorized; provided further that the state tax on property as heretofore permitted to be levied by Section 9, of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty (30c) Cents on the One Hundred ($100.00) Dollars valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"Funds raised from said Five (5c) Cents tax levy for the ten (10) year period beginning January 1, 1948, are hereby allocated to the following institutions of higher learning, and in the following proportions, to wit:

Institution	Per Cent of Total
John Tarleton Agricultural College	3.72107
North Texas Agricultural College	6.17028
Texas State College for Women	11.32992
Texas College of Arts and Industries	4.75551
College of Mines and Metallurgy	4.71936
Texas Technological College	16.34677
East Texas State Teachers College	8.10687
North Texas State Teachers College	12.94622
Sam Houston State Teachers College	5.55068
Southwest State Teachers College	8.78474
Stephen F. Austin State Teachers College	4.55414
Sul Ross State Teachers College	2.15315
West Texas State Teachers College	5.42042
Prairie View Agricultural and Mechanical College of Texas	3.34610

"Not later than June 1st of the beginning year of each succeeding ten (10) year period, the Comptroller of Public Accounts of the State of Texas, based on the average long session full-time student enrollment for the preceding five (5) year period of time, shall re-allocate, to the above designated institutions of higher learning then in existence, all funds to be derived from said Five (5c) Cent ad valorem tax for said ten (10) year period; and all such designated institutions of higher learning which participate in the allocation or re-allocation of such funds shall not thereafter receive any other state funds for the acquiring or constructing of buildings or other permanent improvements for which said Five (5c) Cents ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the loss so incurred may be made by the Legislature out of other state funds. This amendment shall be self-enacting. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this amendment; and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose."

"Section 18. For the purpose of constructing, equipping, or acquiring buildings or other permanent improvements, the Board of Directors of the Agricultural and Mechanical College of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Five Million ($5,000,000.00) Dollars, and the Board of Regents of The University of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Ten Million ($10,000,000.00) Dollars. Any bonds or notes issued hereunder shall be payable solely out of the income from the Permanent University Fund. Bonds or notes so issued shall mature serially or otherwise not more than twenty (20) years from their respective dates, and in no event later than twenty-five (25) years after the date of the adoption of this amendment. This amendment shall be self-enacting.

"Said Boards are severally authorized to pledge the whole or any part of the respective interests of the Agricultural and Mechanical College of Texas and of The University of Texas in the income from the Permanent University Fund, as such interests are now apportioned by Chapter 42 of the Acts of the Regular Session of the 22nd Legislature of the State of Texas, for the purpose of securing the payment of the principal and interest of such bonds or notes. The Permanent University Fund may be invested in such bonds or notes.

"All bonds or notes issued pursuant hereto shall be approved by the Attorney General of Texas and when so approved shall be incontestable."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at a special election to be held throughout the State on the fourth Saturday in August, A. D. 1947, at which election all ballots shall have printed thereon:

"For the amendment to Article VII of the Constitution of the State of Texas, adding Sections 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning, in the amounts of Two (2c) Cents and (5c) Cents respectively; providing for a Five Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred ($100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and The University of Texas."

"Against the amendment to Article VII of the Constitution of the State of Texas, adding Sections 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning, in the amounts of Two (2c) Cents and (5c) Cents respectively; providing for a Five Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred ($100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and The University of Texas."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state.

Sec. 4. The sum of Ten Thousand ($10,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expenses of such publication and election. 12t4

We hardly know which job is tougher, to get the Government out of the red, or the Reds out of the Government.

They're not quarreling over what is right in Moscow; they're scrapping over what is left.

Panhandle Coaches and Officials Invited to New Rules Session

Climax to the spring training session for the West Texas State grid candidates will come Friday, May 23, when fans, coaches, and officials of the Panhandle will visit the campus to participate in a day of athletic activity.

Highlight of the day's events will come at 8:40 o'clock Friday night, at Buffalo Field, when Coaches Frank Kimbrough and Clark Jarnigan will send their charges through a final regulation intra-squad tilt in which all new rules of play will be employed.

At 4:30 o'clock Friday afternoon, there will be an-interpretation-of-the-new-rules-session to be held in Room 211 of the Administration Building. This session will be headed by Stina Cain, Corky Cornelius, Haskell Folsom and Jess Cearley and will be held for all Panhandle coaches and officials.

Following this, at 7 o'clock, all mmebers of the West Texas Activity Club and special guests will be entertained at Buffalo Courts, native-rock home of the West Texas State athletes. Only stags will be present at this function.

Head coach Frank Kimbrough will extend the welcome, to be followed by a talk given by Gene Howe, publisher of the Amarillo Globe-News.

Coach Gus Miller, director of athletics, will offer a discussion of further athletic plans for West Texas State.

Game Tme

At 8:40, fans will see a preview of the 1947 Thundering Herd at Buffalo Stadium. The players will be divided into two squads of approximate strength and all candidates will see action during the 60 minutes of pigskin dueling.

Those who will don suits for the spring contest are: Clyde Ivey, Rufus Bradford, Leon Chapman, Homer Garrett, and J. D. Covington of Borger; Marvin Bowman, Lefors; Cozell Foster, Phillips; Duane Byars, Lockney; Clovis Hill and Dawson Little, Amarillo; Omar Jordan and Wayne Hill, Vernon; Charles Riley and Lloyd Johnson, Wheeler; Berl Pruitt, Panhandle; Noel Cudd, Freeman Melton, Charles Hester, Boyd Williams and Ernest Kendrick, Wellington; Harold Dalton and Kenneth Jones, Brownfield; Weldon Trice, Weldon Bates, Marion Goodson, Charles Kitchens and Vic Bates, Childress; Sedley Levy, Clovis, New Mexico; Elvin Lyon and Willis Hedges, Olton; Cloyce Box, Gatesville; Dick Norris, Wichita Falls; Pete Brumley, Clarendon; C. W. Reeves, Hereford; John Cardinal, Floydada; Robert Lister, Shamrock; Ray Moore, Munday; and Lynn Glascock, Springlake.

Game Officials

Officials of the grid clash will be: Jess Cearley and Haskell Folsom, referees; Corky Cornelius and Stina Cain, umpires; Bill Teal, Charles Duval and Cecil Smith, head linesmen; and Lee McLaury, Bill Ferem and Hatcher Brown, field judges.

The famed Buffalo Band will present half-time and pre-game performances.

No admission will be charged.

Wayside Items

The Methodist and Baptist Union revival began last Friday night with Rev. Alton Green pastor of the Baptist church at Beula, Texas, doing the preaching and Rev. E. H. Martin, Methodist pastor of the Vigo Park charge, song leader.

Rev. S. D. Unruk, the new Baptist preacher was ordained Sunday afternoon at the Wayside church. The Baptist pastors from Hereford, Dimmitt, Happy and Canyon took part in the ordination service. Rev. Roy Johnson from Canyon preached afterward.

Mrs. L. K. Allsbrook and little granddaughter, Sally Webster of Portsmouth, Va. are visiting in the Kotton McGehee home. Mrs. Allsbrook and Mrs. McGehee are sisters.

Mr. and Mrs. Willie Modisette were Canyon callers last Tuesday afternoon.

Mrs. Kotton McGehee and Mr. and Mrs. W. R. Franklin were Happy and Canyon callers Tuesday afternoon.

Mrs. Lorine Abbott of near Denver, Colo. and Mr. and Mrs. Myles McGehee and Sandra Lee of near Garden City, Kansas and Mr. and Mrs. G. R. McNeil of Wichita Falls spent Mother's Day with their mother, Mrs. M. L. McGehee.

Mrs. E. J. Mahler is with her mother who is still in the hospital.

Mr. and Mrs. John Ralph Kennedy, who have been living in Amarillo moved back to the John Stockett farm where John Ralph has employment.

Mr. and Mrs. Charles Kennedy and boys, Robert and Richard have moved to their farm.

Mr. and Mrs. Oren Fisher and girls of Canyon were dinner guests in the Chas. Kennedy home Sunday.

Rev. and Mrs. Chas. J. Easter of Amarillo attended services at Wayside Sunday morning and were dinner guests in the Henry Hamblen home.

Mr. and Mrs. Gordon Foster of Canyon attended services at Wayside Sunday morning and were guests in the parental Jack Foster home. Mary Alice Foster also spent the week end with home folks.

Cordell Mahler visited home folks over the week end.

Faculty Addresses Graduating Groups

Several faculty members have been making commencement addresses to graduating classes over the Panhandle. Dr. Noble Armstrong, Dr. James L. Russell, F. E. Savage, Herschel Coffee, and Dr. A. K. Knott have been asked to make addresses.

Dr. Armstrong will deliver the commencement addresses at Sunray, Thursday, May 22 and at Dalhart, Friday, May 23. He will also speak to the senior class at Stratford tonight.

Dr. Russell, having addressed the Hartley graduates Friday, May 16, will speak to the seniors of West Texas High School, Wednesday, May 28 and the Quitaque seniors, Thursday, May 29.

Mr. Coffee spoke to the last-year students at Happy, Friday, May 16 and Mr. Savage addressed the elementary school graduates, Thursday, May 15.

Dr. Knott went to Vega, Friday, May 16, to speak to the graduates there.

Washington officials are having difficulty getting their ideas of disarmament adopted by U. S. representatives at the U. N. Those in New York feel it necessary to get some form of agreement in the U. N. Commission on Governmental Armaments. But Washington officials insist that agreement on atom-bomb control and on the U. N. military forces must come ahead of action on general disarmament proposals.

Czechoslovakia will announce soon that the Sudetenland, once filled with Germans, has been completely repopulated with Czechs and Slovaks. All the Germans have been ousted and the replacement population is approaching the objective of 2,560,000 Czechoslovak settlers.

CHS Seniors Tour Northern New Mexico

Thirty seniors returned to their studies (?) Tuesday morning, May 13, after a four-day tour of northern and central New Mexico.

Students, accompanied by Miss Lurline Bowman and Mr. T. L. Devin, class sponsors, began their journey Friday morning at approximately five thirty when they boarded the Independent No. One school bus driven by Raymond Tucek. First stop of interest was Clayton, New Mexico, where the sight-seers ate lunch and viewed an extinct volcano, which was covered with lava formations and other volcanic rock. Some of the group ate box lunches in the bus and others dined at Joe's Place.

Resuming their travel, the tourists visited Raton and Cimarron where they toured scenic Cimarron Canyon stopping at various intervals to take pictures, and also Eagle Nest Lake at Eagle Nest. Seniors arrived at their destination in Red River late Friday afternoon. After being dispatched to their cabins in El Sombrero Courts, the students rested briefly and dressed for dinner, which was eaten at Monte Vista Lodge. A fish fry had been ordered and was served to the hungry travelers.

Saturday morning was spent sightseeing in Red River, and hiking in the Sangre de Cristo mountains where the seniors visited a large beaver dam and several gold mines which were about three miles from camp. The afternoon was rainy and students played table games, listened to records, and read at Monte Vista Lodge, and later skated at Red River skating rink. Saturday night a few of the seniors, accompanied by Miss Bowman, attended the dance at Tony's Bar.

Lunch at Taos

The travelers were on the road again Sunday morning. They arrived in Taos at noon and ate lunch at El Patio, which was reserved for the party. After lunch the seniors toured the city visiting curio shops, the city park, and an exhibit of Mexican and Indian art work. Later they visited the Taos Indian reservation.

The evening was spent at Las Vegas where the students partook of quiet recreation before retiring for the night. Monday morning the seniors went to Montezuma, a Catholic school for priests, where they were shown through the chapel and other scenic spots on the campus.

See Fish Hatchery

On the return trip the group made a tour of a fish hatchery three miles east of Santa Rosa where a guide explained the processes of raising various kinds of fish. This hatchery furnishes the fish for Buffalo Lake.

Monday evening amid the popping of fire-crackers and lusty cheers, the CHS seniors of 1947 arrived home, tired but happy.

Next Year's FHA Officers

From left to right: Martha Hales, Historian; Jean Hill, reporter; Sue Ann Colwell, treasurer; LaVerne Hinders, secretary; Earline Davis, vice-president; Donna Erwin, president.

Year's School Honors Reviewed, Students Receive Awards in Contests of Sports and Class Work

Individual Basketballs Are Best Players Rewards

Special awards for honors received this year were presented by Mr. Milton Sanders in Assembly Wednesday, May 14.

First place intramural trophy award in boys' basketball was won by the freshman boys, coached by James Guthrie. They are as follows: Donnell Ruthart, Joe Abbott, Harold Martin, Billy Jo McCarter, Albert Craig and Troy Burrus.

Individual awards of silver basketballs were given to the outstanding player in each grade. These were: senior, Cordell Mahler; junior, Paige Carruth; sophomore, Billy Cleavinger; freshman, Harold Martin; eighth, Thomas Hooper; and seventh, Sidney Plant.

Awards of Honor in Journalism given by the Interscholastic League at Austin, Texas, was recognized. To the two editors of the Eagle's Tale, Frances Gooch and Bill Davis, is due the honor of winning this.

Knott Presents Plaque

Mrs. A. K. Knott presented to Austell Burrus, president of the juniors, the plaque given by the Curtis Publishing Company for excellent work in securing subscriptions to their magazines.

Mr. T. L. Devin awarded a pennant to the first year Agricultural boys, who won first place in Chapter Conducting at a meet in Farwell. They are Bob Jones, Cordell Mahler, Frank Heare, Wayne Prichard, Don Hickman, Jerre Inman, Bryce Slack, and Golden Currie.

In one-act Farm Demonstration this team took second place: Donald Davis, James Bible, and Clifford Burtz, with James Inman and Jimmy Dietz as alternates. All five of the above composed the cattle judging team.

In the regional contest at Lubbock, with 72 schools participating, CHS Ag teams ranked as follows: Crops Contest Team, Leo Erwin, Albert Craig, and Jerry Harding, fourth. Live stock judging team, Eugene Morris, Jones Hales, and Jimmy Dietz, ninth.

With the following ranking, the three teams listed above comprised the Sweepstakes teams—and took third place in that contest.

In the Duroc Picture contest the school came out sixth in the nation, and Billy Dugan ranked fourteenth in a list of 1,882 contestants.

Girls Win First

Volley ball girls, who won a first place plaque, are: Joan Morton, captain, Juanita Avent, Dorothy Butler, Martha Jean Avent, Geneva McDougal, and Bobby Jean Ford.

The second string team was presented as: Joanna Haines, Wanda Jean Edwards, Sue Dickerson, Fay Dickerson, Ema Jean Zachry, Janey Forester, and Mary Sue Poster.

CHS basketball Eagles won the following trophies: First place in Canyon invitation tournament, second place in Tulia invitation tournament, second place in the Dimmitt invitation tournament, and the District one "A" trophy for sportsmanship.

Junior boys teams took first place in the Friona and Dimmitt tournaments.

CHS Takes Trophy

In Track and Field events Canyon, for the first time in her history, took special honors, a second-place trophy.

Sophomore girls captured the intramural first place trophy this year with the following team: captain, Chloe Ann Black, Faye Dickerson, Sue Dickerson, Wanda Edwards, Mable Graham, Peggy LaLoge, Ema Jean Zachry, and Betty Ann Erwin.

Those comprising the all-intramural team and receiving silver basketballs were: Patsy Sue Ford, seventh; Billie Louise Thompson, eighth; June Long, ninth; Lorilla Devin, eleventh; and Betty Ann Miller, twelfth.

Mr. Sanders also reminded the group that Canyon placed two star backfield men on the all district football team. Billy Abbott and

Two Groups Give Composer's Life

In assembly Tuesday a program, "The Life of Carrie Jacobs Bond," was presented by Mrs. Glenn Dowlen's voice pupils and the speech class.

Mrs. Bond was left a widow at the age of 25 with a small son. When her husband was killed in an accident he was greatly in debt and therefore Mrs. Bond had to begin work immediately. Because she loved music and painting she entered this field. Some of her best known compositions are "A Perfect Day" and "I Love You Truly." Until last January when she died she lived happily with her son in California.

This program consisted of six episodes. They are as follows: Episode 1—"The Bond Store," Episode 2—"Adverse Criticism," Episode 3—"Concert at the White House," Episode 4—"5,000,000 Copies," Episode 5—"Liberty Bond Rally," and Episode 6—"Sunset Years."

The speech pupils wrote and directed this play and dramatized it with the help of Mrs. Dowlen's voice pupils under the supervision of Mrs. J. R. Sharp.

Those taking part in it are: Claudine Beavers, Faye Kinney, Helen Spencer, Wilbert Long, Bill Davis, Zonell Gregg, Carrol Wilson, Sue Jennings, George Avent, Betty Ann Miller, Marselete Wilson, Bobbie Jean Ford, Dorothy Gafford, Donna Erwin, Joanne Hicks, Peggy LaLoge, Janey Forester, Harry Reeves, Gracie Boyd, Alice Pierce, Frankie Sneed, June Long, James Rigsby, Dwight Moore, Juanita Avent, Conley Campbell, Joanna Haines, Peggy Jean Moore, Dana Rice, Don Hickman, Ramona Simon, Betty Jean Schuette, Mary Ruth Devin, Marion McReynolds, Betty Graham, Martha Jean Avent, and Odessa Scruggs.

THANKS, JUNIORS

Canyon High School's Junior-Senior banquet was certainly a huge success this year. Thanks a million to the juniors and their sponsor.

"An Old-Fashioned Garden" was the very beautiful theme for the banquet. We're glad you kept it secret. It was such a lovely surprise for us all. The theme was so beautifully shown in the decorations and the program. We also appreciate very much the fact that the juniors had the menu and the program along with other interesting data printed in the little book which we may keep always.

Every senior felt the friendly spirit of his fellow classmates. We are going to miss seeing you next year, but as we go, we shall carry the memory of the many kind things you have done to make our last days in Canyon High so pleasant.

—M. B.

Seven candidates recommended for membership in the National Journalism Honor Society of Quill and Scroll have been accepted by the committee at Northwestern University. The certificate of acceptance has been received by the group and notice has been given that the pins will be received soon.

The new members are: Robert Fisher, Othella Pruitt, Louise Blewett, Martha Wilson, Jean Hill, Guy Brant and Bill Davis.

Charles Wright won this honor and Austell Burrus was listed as a second string center.

SCHEDULE OF EXAMS

Tuesday
1st period classes 12:45 to 2:15
2nd period classes 2:15 to 3:45

Wednesday
3rd period classes 9:00 to 10:30
4th period classes 10:30 to 12:00
5th period classes 12:45 to 2:15
6th period classes 2:15 to 3:45

Thursday
7th period classes 9:00 to 10:30

Books are to be checked in to the book room at periods when students are not taking exams.

Baseball Inspires Athletic Ability

Intramural baseball started off with a bang Wednesday, May 14 when Freshmen defeated the eighth, 8-6. Thursday, Juniors downed the seventh grade 13-2 and Friday Seniors came out ahead of the sophs 6-4. Monday, Juniors skinned the "fish" 6-2.

There are six more games to be played and are expected to end by Tuesday, May 27.

During the regular athletic period Coach R. D. Wheelock has been coaching some of the boys in baseball.

"Almost all the boys like softball and we hope to select a team from the intramural boys to play a game or two with one of the leagues teams," states Coach Wheelock.

Grade Notes

Dr. D. B. Gregg, instructor of education in West Texas State College, has been working for several days during the past week with the 310 grade school children. He tested their hearing with an audiometer which was borrowed from the University of Texas. With the help of several students of psychology, he hopes to visit all school students of Canyon.

Many grade school students sent Mr. I. M. Steen, who is recuperating from a recent operation in a Oklahoma City Hospital, cards on his birthday, Sunday.

Mrs. W. L. Avent surprised her son, George, and Mrs. Roscoe Davis' second grade Wednesday afternoon. Each child was served with a cupcake, a cold drink, a candy bar, and a slice of a very beautifully decorated birthday cake.

Elsie Buecker has been absent due to chicken pox. Also, Cecelia Waters has been absent for the past few days.

Donald Golden is back after being absent nearly three weeks from Mrs. Black's first grade.

After studying the history books, the 6D reading class made some illuminated pages as the monks did in the abbeys during the Medieval times.

6I gave a play entitled "A Word Fantasy" about the parts of speech to 6D.

Mrs. R. A. Burrus visited the classes of Mrs. Cousins' fourth grade Friday.

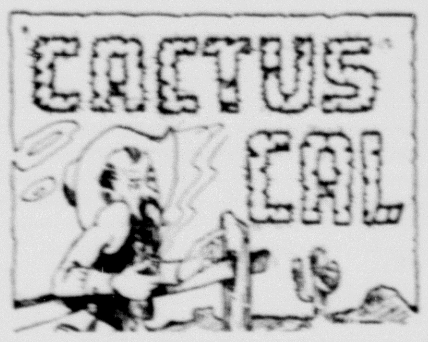
C. G. Ponds and Gladys Leseberg withdrew to take extended vacations to the Pacific Northwest and West Coast.

Mrs. Dan Usery's third grade received a new pupil, Carol Ann Holman, from California, and was visited Monday by Bobby Stevens, a former pupil.

About the only perfect attendance records in grade school, so far, are those of Billy Harrison and Diane Prichard of Mrs. Goodman's third grade.

Mrs. James L. Cole stenciled a mustang on the shirts for both boys and girls in Mrs. Jones' fifth grade. They used these when they tied 5-W in a volley ball game.

Juniors Are Hosts



Ah, yes, spring is here, the birds are a-twitter and here's your "best friend" of all to give you the latest dope on all the dopes!

Tommy Boling really must be fond of Betty Thomson because he came all the way from Fort Worth, Saturday to see her.

Say kids, here's a few of the new spring romances which developed from the Junior-Senior Banquet: Austell Burrus and Joan Morton, Dick Barrett and Letha Harwood.

Two girls surely do think Lee Bailey rates, especially when they went all the way to Hereford Saturday just to see him. It seems he was working—hmmm, I'll bet he got a lot of work done!

My, my, how that Shellnutt gal from WT high does get around! Old Cal is wondering if Gerald McDuff and she had an interesting talk Saturday night out in her car! Did I say talking?

Mary Ruth Hill, and Billy Samples, Ava Dooley and Carl Hair were really enjoying the show Sunday afternoon. Norris Root had the pleasure of escorting Mary Ruth Saturday night, how she does get around!

Why the confused look Frances Standley? Oh, well I think I'd be confused too if two "certain" boys had shirts alike, especially when they are plaid.

Albert Craig's party was made a success Saturday night by the following kids: Albert and Joanna Haines, Bruce Winn and Barbara McDougal, Carroll Wray Dickerson and Mary Jennings, Robert O'Donnell and Dorothy Berry from WT.

"What would come after" didn't seem to be bothering Billy Bonds and Billy Abbott, Paige Carruth and Mary Ann Parker last Saturday night when I ran across them taking a "joy" ride in Paige's car. Well Geneva and Valeta seem to have something up their sleeves, too.

By the way, Joyce Carter and Jerry Bailey were really having a gay old time after the banquet last Friday. I was wondering whether Joyce or Rita Gunter would win out; however, you see the results.

It seems Gracie Boyd and Ridings Sloan had a date for the banquet Friday night but afterwards, they paired off with Sue Jennings and George Schaeffer. How queer some things do turn out!

Well, well Larry Roush you better get on the ball if you plan on keeping that little Freshman girl with the initials A. D. interested in you!

Unhappy looks don't become become Charles Wright, do they? But buck up, old boy, for Nancy will be back from Arizona real soon!

Oh kiddies, have you heard the latest? Benny Cupell and Betty Jean Schuette have up quite a case. (Love case, that is!)

Dear me, but some of those senior couples such as: Bill Davis and Dorothy Gafford, Frances Gooch and James Guthrie, Gerry Small and James Rigsby, and Othella Pruitt and Harold J. Prichard are really getting thick lately!

Confidentially, I think we should all notice Maxine Barnard's diamond ring! Now let's don't get any ideas; it's a graduation gift from her mother and father.

Senior Personality

Name: Ridings Sloan

Favorites:
Food: Fried chicken
Drink: 400
Actor: Humphrey Bogart
Actress: Lana Turner
Girlfriend: Don't you all know
Ideal: F. D. Roosevelt
Ambition: Engineer
Color: Blue
Pet Peeve: Picture thieves and people that drag their heels

Personals:
Height: 5' 11"
Weight: 150
Color of hair: Black
Color of eyes: Brown

Senior Sponsor

MR. T. L. DEVIN

Mr. Devin has been an able sponsor for the senior class through 1946 and 1947.

Seniors graduating this year are: Billy Abbott, Maxine Barnard, Louise Blewett, Gracie Boyd, Muriel Faye Cope, Bill Davis, Robert Fisher, Dorothy Gafford, Frances Gooch, Zonelle Gregg, James Guthrie, Edwin Huff, C. L. Hood, Jennie Irvine, Norman Jones, Wilbert Long, Betty Ann Miller, Cordell Mahler, Mary Ann Parker, Harold Prichard, Othella Pruitt, M. E. Rhoades, Larry Roush, James Rigsby, Geraldine Small, Odessa Scruggs, Ridings Sloan, Helen Spencer, Orville Turner, and Charles Wright.

Show Contains Good Manners

Etiquette is the topic of the show seen Wednesday by the Junior and Senior classes in preparation for the Junior-Senior Banquet which was given Friday, May 16, at the Methodist Church.

This show gave pointers to both girls and boys on their behavior during such occasions as a banquet or formal dinner party. The correction of a common mistake was made in this picture. It definitely stated that calling up a girl at 7 o'clock for a date at 7:30 is not cricket. The fact was especially emphasized that if one is not trained in a mannerly way, he will not be at ease when attending a formal affair.

Band students of CHS saw various Senior trip films from 1936 to 1947. Also included with these films were pictures of Grade School Pageants and Operettas. Pixs taken around the school were shown too.

CHS Seniors Call Special Meeting

Seniors had a called class meeting Monday morning, May 19.

The moving pictures, which were taken on their trip last week, were shown.

Etiquette on how to wear caps and gowns was discussed by Mr. T. L. Devin, sponsor.

Plans and details for Commencement exercises were announced. Students, who have parts in the Annual Senior Assembly, were asked to prepare their parts.

All the seniors tried on their caps and gowns, some of which were incorrectly sized. A re-order was made.

THANKS

To the faculty, administration, student body, and especially to Mrs. Gilmore and the entire staff, I want to express my appreciation for the cooperation and help extended to me during my semester as editor of the Eagle's Tale.

Bill Davis.

Officials Assume Duties of P-TA

In an impressive ceremony, Rev. Hubert Thomson installed the P-TA officers for the 1947-48 season at the last meeting of the year, Thursday, May 15. As a substitute for the choir which could not sing because of the absence of some of its members, Bill Davis and Wilbert Long sang "Blue Skys."

Six D won the one dollar prize for having the greatest number of mothers present, and in the high school the seventh graders were again winners.

Concluding the evening, tea was served in the regular social room of the grades. During the period musical selections were played by several piano students and Sarah Jane Martin, who studies at the Amarillo College.

The lace covered table was centered with a bowl of orchid and gold irises, flanked by tall, lighted tapers. Refreshments consisted of flower cookies, colored mints, and punch poured by Mrs. L. M. Cousins.

Rev. Hill Delivers Graduate Sermon

While the West Texas Orchestra plays the processional, 52 West Texas High Seniors and 33 Canyon High Seniors will march down the aisles of the College Auditorium for their joint Commencement Sermon, Sunday evening, May 25th, at 8:00 o'clock.

As chairman of the services Supt. E. A. Wooten will introduce the following numbers:

Invocation—Rev. Hubert Thomson.
"Come Though Almighty King"—Assembly.
Prayer—Dr. Roy L. Johnson.
"Sanctus" Bach-Luvaas—Canyon High A Cappella Choir.
Announcements—Supt. F. E. Savage.
Sermon—Rev. Leon Hill.
Benediction—Rev. Joe Findley.

The West Texas High School Orchestra will also play the Recessional.

Mr. Milton Sanders was out of school last Thursday due to illness. This was the first day of the school term he was unable to report for duty.

Mrs. T. L. Devin and son, Robert Loyd, were seen at school Monday afternoon. It was the first time for Robert Loyd to be out.

Decorations Are Garden Theme

Haines Gives Welcome, Betty Miller Responds

Climaxing several weeks of preparation, the junior class staged the annual Junior-Senior Banquet Friday night, May 16. This affair, An Old Fashioned Garden, began in Fellowship Hall of the Methodist Church with the banquet and program.

Mr. J. R. Sharp gave the invocation. The junior welcome was presented by Valeta Haines and responded to by Betty Ann Miller.

Seated at tables decorated with flowers, rock gardens, butterflies, colonial maidens, pink and blue nut cups, place cards, and printed programs, the opening speeches were made and the group ate dinner by candle-light which consisted of fruit cocktail, fried chicken, parsley, potatoes, English peas, butterfly salad, gravy, hot rolls, butter, iced tea, pecan pie and ice cream.

Farley Speaks

Austell Burrus, junior president, introduced Mr. E. A. Wooten, who introduced the main speaker, Cal Farley of Amarillo. Mr. Farley presented a colored film of Boy's Ranch and told of its operation.

Thelma Mercer, accompanied by H. R. Fulton, sang, "After Graduation Day." Austell then dismissed the group and invited each and all to go to the dance at Cousins Hall Ballroom.

Dance at Cousins

Decorations in the ballroom completely carried out the theme of a garden. Between white streamers, the ceiling was covered with glittering stars. Chandeliers and windows were decorated with blue and white streamers centered with a star. White trellises entwined with red artificial roses and fresh greenery, arched the doorways and each side of the stage. A rose entwined white picket fence was placed around the walls of the room. Brightly colored metal lawn chairs were placed at intervals for the convenience of those not wishing to dance. The stars were accentuated by swinging spot-lights.

Completely surprised, the seniors saw the West Texas Collegians seater before a starry white background softly playing "In An Old Fashioned Garden" as they descended into the ballroom.

Present Corsages

Grape punch was served in the social room which was decorated in blue and white. Card tables were set up for those wishing to play games.

A gardenia wristlett was presented to Mrs. Knott, junior sponsor, by her class. Senior and junior room-mothers received iris corsages from the junior class also.

Faculty Quotes

"The banquet was one of the loveliest I've ever attended; the decdrations and sentiment will evidently be indeliably etched in the memories of those who attended, especially the seniors, who showed much appreciation," states Mrs. Terry.

"Much credit is due the juniors and their sponsor, Mrs. A. K. Knott, for the banquet which we have enjoyed so thoroughly. The food was delicious and the decorations portrayed superior artistic judgment. The ball at Cousins Hall was a veritable fairyland," says Mrs. Gilmore.

"Patrons, board members, and room parents have expressed opinions that this year's banquet was the best arranged and most beautifully decorated of any they have ever attended," reports Superintendent E. A. Wooten.

Hill Announces New Courses

When school opens next fall, the curriculum will have been expanded to include an entirely new field of study incorporated into a Department of Vocational Education, divulged Pres. J. A. Hill Monday afternoon.

With four divisions of classes, the department will offer a total of 60 hours credit and a certificate of achievement to be given at the conclusion of the two-year course. However, the courses, General Metals, General Building Trades, Farm Shop and Auto, Tractor and Internal Combustion Engines, may be taken individually without enrolling for the whole group.

A major in the work would choose elective courses from the English, mathematics and other departments.

McGregor Hired

Employed to teach some of the courses, W. T. McGregor, now on the faculty at Tyler High School, will come to West Texas after study- this summer at A. & M., where he received his Bachelor's degree and is now working on his Master's.

An ex-GI, McGregor gained experience with the building trades with his father who is a contractor, and in the service during the war. He is married and has one child. Another instructor for the department has not yet been hired, but announcement of his appointment will come sometime before September.

A. L. Crossland of the Agriculture Department will teach the course in farm shop.

Machinery Here

Except for lathes, all needed machinery already has been obtained from the War Assets Administration, and the remaining tools will be secured soon through the cooperation of the State Department of Vocational Administration, agency instrumental in establishing the department here.

Classes will be conducted in the former NYA shop building, stone structure located northwest of the water tower.

In the General Metals Course will be taught these phases: machine shop, welding, foundry, sheet metal and forging; General Building Trades will include carpentry, mill cabinet work, masonry, plumbing, electricity and exterior and interior decorating; Farm Shop will be subdivided into farm machinery repair and general shop.

Buff Band To End Four-State Journey

Returning after a two-day goodwill tour through four states, the Buffalo Band is rounding out a full year of activities, concerts, trips and parades. The Amarillo Chamber of Commerce sponsored the tour.

The band left Monday morning from Amarillo, stopping at several places for short concerts and a parade at Tucumcari, N. M. From there they traveled to Dalhart where they spent the night.

Today Guymon, Okla. and Liberal, Kan., were the main stops. The tour will end when the train pulls into Amarillo about 8 o'clock tonight.

While they are in Tucumcari, the Collegians are scheduled to play a program over radio station KTNM. Other arrangements for the dance band have been made at Dalhart.

CARD OF THANKS

We wish to express our gratitude to our many friends for their acts of sympathy and kindness as well as their floral offerings upon the death of our loved one, Mozelle McDaniels.

Many dishes were left at the Glenn home, and persons may call for them at any time.

R. T. McDaniels
Mr. and Mrs. A. R. Glenn
and family.

Sunday guests in the home of Mr. and Mrs. W. U. Arams were: Mr. and Mrs. David L. Riley, Sgt. and Mrs. Carl J. Hopf and son; Sgt James W. Langston of the U. S. Army Recruiting Station; Ann McClenny, Floyd Leard, and Josephine Riley, all of Amarillo. Dinner was served buffet style and the afternoon was spent fishing.

Mr. and Mrs. W. B. McElwee and Bill Baker of Lubbock were Sunday guests in the home of Mr. and Mrs. Leslie Key. Mrs. McElwee is a sister of Mrs. Key.

Sherman Higdon of Roswell, N. M. spent the week end here with his family. He plans to move his wife and children to Roswell soon to make their home.

Mrs. Clay Cooper and Charles were visitors in Dalhart during the week end.

Legislature Will Probably Pass WT Bill This Week

A revised college appropriations bill, determining the amount of WT's allotment for the next two years, is due to be resubmitted to the legislature sometime this week by a compromise committee made up of members from both houses.

Introduced by Rep. Gilmer of Kimble County, House Bill No. 246, as the piece of legislation is named officially, originally earmarked $1,414,076 for West Texas. In the Senate, however, the total for this college was cut to $1,082,158 by the deletion of funds planned for use in the construction of a new library and president's home.

Sent to Committee

To compromise between the two versions of the act, it was referred last week to a free conference committee for needed changes. When it is returned to the legislature, the bill is expected to pass both houses with little or no delay.

In its first form the bill allotted $304,310 for salaries each year, $62,000 for salaries for the 1948 summer session (as compared to $25,000 for the 1947 summer session) $48,228 for maintenance and equipment each year (as compared to the $32,000 per annum currently allotted) and a total of $510,000 for improvements, repairs and new buildings.

Cause for Opposition

Senate opposition to the building appropriations is believed to hinge upon the forthcoming election on the constitutional amendment which proposes a 30-year building program for 14 state educational schools.

The proposed amendment would divert from the presently authorized 7 per cent per $100 valuation property tax for Confederate pension purposes, a 5 per cent portion for a special fund with which to finance the new buildings.

If the amendment is approved by the voters in the election next August, WT on the basis of its present enrollment will gain approximately $2,436,000.

TIME . . .
IS RUNNING OUT!

No one wants to get caught short these days.

But a lot of farmers may find themselves in that shape if needed repairs are not made before the opening of spring work.

Shortages and strikes have badly curtailed machinery production.

Needed repairs are almost impossible to get.

If your farming equipment breaks down during the busy season it will simply be too bad.

We urge every farmer to check his equipment now, and not get caught short at harvest time.

Your combine will have to do another big job this harvest. See to it that repairs are made now, and not wait until the rush of harvest.

HILL IMPLEMENT COMPANY

News In Canyon 25 Years Ago

(Taken from the files of the Randall County News of May 18, 1922)

Rev. H. F. Aulick was called as pastor of the local Baptist Church, according to Dr. J. A. Hill, chairman of the Pulpit Committee.

Twenty-six will graduate from the high school, including: Hazel Findley, Edna Schramm, Ruth Burnett, Edith Harrison, Opal Gill, Lillie Mae Fogarty, Oakes Younger, Ola Robeson, May Slack, Billie McClure, Gladys Campbell, Irene Jones, Jack Foster, Amelia Hazlewood, Doyle Gregory, Roy Campbell, Sidney Todd, Clara Burtz, Robert McGee, Birch Campbell, Lexie Pierce, Herschel Coffee, Leslie Key, Myrtie Lou Biggers, Earl Burtz, and Kermit Schramm.

Allan Farlow was called to Panhandle by the death of his father, George E. Farlow.

Miss Pearle Hensley and Nester Gass of Hereford were married.

A daughter was born to Mr. and Mrs. M. B. McManigal.

Old clothing is being collected for the Near East Relief.

There has been much discussion among the weekly newspapers of the unfortunate and wholly inappropriate action of the Potter county grand jury in calling Governor Pat Neff before that body to explain his pardon of an Amarillo man, who was convicted in Armstrong county.

Officers elected for the American Legion for the coming year are: H. C. Gamble, commander; Bob Donald, vice commander; Wes Kleinschmidt, adjutant; Earl Potter, finance officer; Frank R. Phillips, T. I. Poor, Jack Jones, members of executive committee.

Russia is having tractor trouble. Many of the machines in use are pre-war models, ready for the junk heap. Around Stalingrad, a show place of Russian recovery, one fourth of all the tractors listed as available for the farms are not in use. Tractor teams are going to the fields in double shifts, working long after sundown. A shake-up in the management of tractor repair stations is likely.

If the dollar is as soft as the economists say why is it so hard to get your fingers on one?

DEMONSTRATION CLUB HAS VARIED PROGRAM

Mrs. W. L. Rice was hostess Thursday afternoon, when she entertained members of the Central Home Demonstration club in the home of Mrs. Fred Marshall.

The short business session was conducted by Mrs. Marshall, president of the club.

Antiques were displayed, and interesting stories told concerning their history, as roll call was answered by nine members and one guest.

Mrs. Rice stated in her Council report that 240 door hangers were to be ordered, and a training school will be held May 14, in the West Texas State food laboratory to demonstrate canning fruit. Mrs. George Barker, Mrs. Levi Cole and Mrs. S. R. Hood were chosen as representatives to attend the school.

Suggestions for the summer recreation program were heard in a round table discussion. Mrs. R. E. Foster discussed, "Clothes, Old and New," and told the story of her bed coverlets and counterpane.

Mrs. Fred Marshall led the group in a game of "Snap," for "Games Old and New." "Food, Old and New," was the topic related by Mrs. S. R. Hood.

Refreshments of iced punch, cookies and mints were served to a guest Mrs. J. C. McDaniel, and to the following members: Mrs. Fred Marshall, Mrs. George Barker, Mrs. S. L. Terry, Mrs. R. E. Foster, Mrs. Levi Cole, Mrs. Maud Walters, Mrs. Douglas Marshall, Mrs. Hood and the hostess.

Mrs. Douglas Marshall will be hostess for the next meeting, May 23, in her home 12 miles east of Canyon.

A billion dollars still ain't hay, but we're beginning to fear that not a great deal of time may elapse before it will be.

Loren Hightower Will Be Student At Dance School

LOREN HIGHTOWER

Loren Hightower, son of Mr. and Mrs. C. E. Hightower, Canyon, left May 20, for Jacob's Pillon University of the Dance, near Lee, Mass., where each year a three-month dance festival is held when the outstanding dancers of the country go there and perform for the students.

This gives students close contact with the dance world and a view into the meaning of the dance as a profession. Directors of the school are: Thalia Mara and Arthur Mahoney with Iris Mabry, Charles Weidman, Devi Dja, and Joseph Pitales on the faculty.

Loren received a $500 working scholarship through recommendation and personal application. He will major in classic ballet.

Talk persists in China that negotiations to end the civil war will be resumed before the end of this year. Chief difficulty, however, is the fact that withdrawal of mediation efforts by the U. S. left the Nationalist Government with no way to get in contact with the Communist leaders. Since the fall of Yenan, Communist headquarters has been hidden away in the mountains of North China, and no outsiders know where it is located.

The thing that is holding up currency reform for Germany is the fact that Russia wants authority to print money in their own zone. The U. S. insists that all currency be printed in Berlin from a single set of plates, and that the issuance of new money should go along with economic unification of all Germany.

Help Keep Canyon Clean!

International banking experts in Switzerland are forecasting a critical depression in the U. S., to reach the acute stage in 1949. They feel, however, that recovery will begin the same year and that at its worst the business disturbance will not be as serious as that of the early 1930s.

We had hoped that this would be one spring when the umpires would call the majority of the strikes, but we obviously were over optimistic.

Children Should Avoid Common Child Diseases

If every case of suspected communicable disease could be promptly visited either by the family physician or the local health officer, thousands of susceptible persons would be protected from disabling illnesses, according to the State Health Officer.

To quote Dr. George W. Cox, "The old fashioned theory that it is a good thing for children to have a number of the catching diseases and get them over with, has long since been known to be a serious and sometime fatal error. The longer a child can keep from having these diseases, the better it is for him. Every child should be completely protected by vaccination or inoculation against any such diseases where an immunity can be produced."

Prompt diagnosis, isolation, good medical and nursing care give the patient the best chance for a satisfactory recovery without the serious complications that sometimes accompany even the mild forms of communicable diseases. Dr. Cox emphasized that obeying the public health laws regarding isolation and quarantine of communicable diseases protects not only the patient, but helps prevent others from contracting the illness.

"The State Health Department," Dr. Cox said, "is doing everything in its power to protect the health of the people of Texas. The cooperation of every individual in protecting his own health, and that of his community, will do more than anything else to help check the spread of communicable diseases."

a FUNNIGRAM by Elmer

Don't starve your car out of proper lubrication. The entire chasis should be scientifically lubricated to prevent wear, engine oil should be changed, lubricants in transmission and differential should be replaced at regular intervals. Let us handle this for you.

Veterans Benefit Time Limits Are Outlined by Law

Following is a convenient ready-reference tabulation of the time-limits within which veterans and their survivors and dependants are entitled to exercise certain rights, benefits and privileges to which they are entitled by federal laws, according to Rhea Smith, Veterans County Service Officer.

Until July 1, 1947: Application for $1600 automobile for leg amputees. Veterans discharged on or after May 12, 1945 may enlist in Enlisted Reserve Corps in same grades held at time of discharge, providing such enlistment is accomplished within 6 months of discharge or before July 1, 1947 (whichever is later).

Until August 1, 1947: Reinstatement of term National Service Life Insurance without physical examination. (After July 31, 1947 insurance may be reinstated without physical examination, provided application is made within three months of date of lapse). Veteran may apply for waiver of insurance premiums to which he had been entitled since August 1, 1946. After August 1, 1947, no premium will be waived which becomes due more than one year prior to receipt in the V. A. of application for waiver. Beneficiaries of deceased servicemen, or veterans, may claim waiver of any premium which had become due to the serviceman or veteran. If serviceman or veteran died during total disability, dependants also have until August 1, 1947 to apply proceeds of policy. After that date they have one year from date of death of veteran to apply.

Until September 1, 1947: Applications for terminal leave pay may be made.

Until August 1, 1948: A beneficiary who has received payment before September 30, 1944, of NSLI, has the right to change option of settlement from Option One to Option Two.

Opposition to Franco is reported split into several camps. The unfortunate corollary fact is that the general, meanwhile continues in one piece.

Summer Session Begins June 10

Registrars Expect Over 1000 Students For Short Term

With the opening date scheduled for June 10, the summer term at WT is expected to attract more than 1,000 students, enrollment officials estimate.

Tuesday, June 10, the entire day will be spent in registering students and class assignments will be made the following day. For those who find it impossible to report on the 10th, matriculation will be extended one day. Any student reporting after Wednesday will forfeit his right to take the maximum number of courses.

Twelve-Hour Minimum

Nine semester hours is considered a normal amount of work, although under-graduates may carry as much as 12. Graduate students will be allowed only nine hours.

Classes will meet in the mornings only five days each week and except for laboratories, afternoons will be free. Courses will be almost identical with those offered during the spring term.

All recreational facilities will be at the disposal of students during the summer term. In addition to the three gyms, there are two swimming pools, baseball diamonds and many other games.

More Recreation

Play nights have been established and a riding academy is now located in Canyon. Those wishing to take trips will be assisted by the college in doing so.

Complete schedule for the summer months:

June 10—Registration
June 11—Class assignments, continuation of matriculation
July 4, 5, 6—Holidays
August 15-16—Final Exams
August 17—11 o'clock — Baccalaureate
August 17—8:30 p. m.—Convocation.

Dr. D. A. Shirley, registrar, asserts that a few summer school bulletins are still available and students may have them by calling at his office.

BOYCE HOUSE "Gives You Texas"

A bill has passed the House almost unanimously to appropriate $1,500,000 to create a new four-year technological college. Whose idea is this? Had you heard anything about it? Texas Tech at Lubbock is a great school; so is Texas College of Arts and Industries at Kingsville. Why not send tech students to one of these highly successful colleges?

Just a few weeks ago, this columnist visited A. & I. and it is a fine school but is greatly in need of buildings for the excellent technological equipment it has—electrical, aviation, oil and gas equipment.

Instead of starting a new four-year college, why don't we first provide the buildings and other needs of the colleges already in existence? The University of Texas, A. & M., and our other state schools have largely gone without new buildings since 1941. They are bursting at the seams. They are crowded with veterans enrolled under the G. I. Bill of Rights.

Another thing: This legislature already has appropriated $2,000,000 for a new university for the negroes. Isn't one big school in one year enough for the State to start?

And that $1,500,000 for the proposed new technological college will only be a starter. Don't doubt it; give 'em that and it won't be long till they'll be back for more.

The Governor warns that the State treasury is not going to have enough money to pay for all the things the legislature is voting. Which do the people of Texas want: a new technological college—or more pay for our public school teachers?

A new technological college—or some farm-to-market roads?

Do the people want another four-year state college—or doing something for the elderly who are having to get by on 80 cents a day when the cost of living has gone up 75 per cent in the last few years?

The British Government will undertake a new campaign to get the them anti-Communists, to go back to Poland. Warsaw has promised Foreign Secretary Ernest Bevin that none of the men will be prosecuted. But few of the Poles are expected to go home voluntarily. Most want to remain in Britain or in British colonies as long as the communists dominate the Warsaw Government.

Three members of the Yoshida Cabinet in Japan have been ordered purged, but Yoshida is holding up the announcement until the new government can be agreed upon because he fears that news of the purge would discredit his Liberal Party. Occupation officials, disturbed over attempts to make political capital of the purge, may force Yoshida to make the affair public.

Germany's postwar population is said to me 1,400,000 larger than prewar. Were we firing blanks?

Is Your Combine Ready To Go?

WILL IT MAKE THE SEASON'S HARVEST?

The wheat crop looks so good and so large that every combine in Randall County will be needed to handle the harvest.

WHAT ABOUT YOUR COMBINE?

If yours is an International, please call upon us at once for all of the parts which you will need to handle your wheat crop.

We carry a complete stock of parts so far as they can be secured. If you do not need an overhaul job, we suggest that you check your machine and get the parts which you will need during harvest. We may not be able to secure these parts when harvest is in full swing.

DON'T DELAY! HARVEST WILL BE HERE SOON! YOUR COMBINE IS A VITAL MACHINE FOR THE YEAR'S HARVEST!

We have in stock grain loaders, both auger and blower type, which will be of such great use to the wheat farmers this year. Get one before the supply is exhausted.
